OGEECHEE
TECHNICAL COLLEGE

2025-2026 Catalog Addendum

Please note the following changes for the 2025-2026 OTC Catalog.

Modifications:

Field	Original Value	New Value	Date	User																																																																																				
/current/Catalog/ Notification	Content	This catalog does not constitute a contract between Ogeechee Technical College and its students, applicants for admission, or any other person. Ogeechee Technical College reserves the right to change, without notice, any statement in the Catalog. Information on changes is available in the Institutional Effectiveness Office.	10/23/2025	ogeechee@10119015																																																																																				
	This Catalog and Student Handbook is effective Fall Semester 2024.	This Catalog and Student Handbook is effective Fall Semester 2025.																																																																																						
/current/Catalog/ Equal-Opportunity- Statement-of- Compliance	Content	Equal opportunity and decisions based on merit are fundamental values of the Technical College System of Georgia (TCSG). The TCSG State Board prohibits discrimination on the basis of an individual's age, color, disability, genetic information, national origin, race, religion, sex, or veteran status ("protected status"). No individual shall be excluded from participation in, denied the benefits of, or otherwise subjected to unlawful discrimination, harassment, or retaliation under any TCSG program or activity because of the individual's protected status; nor shall any individual be given preferential treatment because of the individual's protected status, except the preferential treatment may be given on the basis of veteran status when appropriate under federal or state law.	10/23/2025	ogeechee@10119015																																																																																				
	The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity. The following individuals have been designated to handle inquiries regarding the nondiscrimination policies: For Title IX: Christy Rikard, Vice President for Student Affairs Ogeechee Technical College One Joseph E. Kennedy Blvd. Office 198C, JEK Building Statesboro, GA 30458 Phone 912.486.7607 t9lei@ogeecheetech.edu For ADA/Section 504: Sabrina Burns, Accessibility and Assessment Coordinator Ogeechee Technical College One Joseph E. Kennedy Blvd. Office 711, Assessment Center Statesboro, GA 30458 Phone 912.486.7211 adacordinator@ogeecheetech.edu If an individual with a disability needs this catalog in an alternative format, please contact the Accessibility and Assessment Coordinator at 912.486.7211 or adacordinator@ogeecheetech.edu. /current/Catalog/ General-Information/ Library	Content	The purpose of the Ogeechee Technical College Library Services is to provide a variety of services and resources which support the academic goals and objectives of instruction and which enrich the overall educational experience for students, faculty, and other library patrons. The Library is located in Room 348 of the Joseph E. Kennedy Building. Library resources include the online catalog, databases within GALILEO, and LibGuides for program resources. GALILEO (Georgia Library Learning On-Line) provides databases for projects and papers. GALILEO provides full-text periodical articles in over 100 databases. Some favorite databases include: Auto Repair Source, Computer Science Database, Credo Reference, Ebook Central, and MedLine Plus. The Library's collection includes over 5,000 books, print subscriptions to over 40 different titles and our local newspaper. Library services and resources include computer workstations with Microsoft Office software, printers, and wireless access. The library website may be accessed at www.ogeecheetech.edu/library. Hours of operation are Monday-Thursday from 8:00 a.m. until 7:00 p.m.	The purpose of the Ogeechee Technical College Library Services is to provide a variety of services and resources which support the academic goals and objectives of instruction and which enrich the overall educational experience for students, faculty, and other library patrons. /current/Catalog/ Financial-Aid/ Verification	Content	Verification Ogeechee Technical College verifies all applicants that are selected by the Federal Central Processing System (CPS). OTC also utilizes the authority granted by the Department of Education to select certain students for verification that may have not been selected by CPS. Verification groups are detailed below. Who Will Be Verified - All students selected by CPS with a verification flag set to 1, 4, and 5 on the ISIR. - Students that have incorrect or missing information on the FAFSA. - All students that have C-Flags assigned on the ISIR. - Students selected by OTC: - Students under the age of 24 and not married that indicate they have children they support or legal dependents. These students will automatically have an Independent Student Household Members Verification Worksheet and an Independent Student Tax and Income Verification Worksheet added to their account. If these documents do not confirm that the student can provide at least 50% of the dependents' support, the student will be asked for additional documentation or told that parent information is required on the FAFSA. - Students under the age of 24 that indicate they are married will be asked to provide a copy of their marriage license. - Independent or Dependent students may be required to submit the Zero/Low Income Resources Worksheet with supporting documentation if it is determined that the resources listed may not support the number in the household. - Students that answer "Yes" to any of the following questions on the FAFSA will be required to submit adequate documentation showing proof of their situation. - Orphan, Ward of Court, Foster Care - Emancipated Minor - Legal Guardianship - Unaccompanied Youth by School - Unaccompanied Youth by HUD - At Risk of Homelessness - Students or parents that have a marital status that conflicts with their tax filing status will be required to submit a proof of their marital status. - Students with conflicting information may be required to submit additional documentation. This depends on the scenario of each individual student and the information that needs clarification. Notification Students selected for verification will be notified via email that additional documentation is required before financial aid can be awarded and/or disbursed. They are given instructions to log into their Banner Web account to find out what is required. OTC sends missing document notifications to student weekly. For more information, please review the regulation listed at this link: https://faspartners.ed.gov/knowledge-center/library/dear-colleague-letters/2021-07-13/changes-2021-2022-verification-requirements	Verification Ogeechee Technical College verifies all applicants that are selected by the Federal Central Processing System (CPS). OTC reserves the right to request documentation when there is conflicting information concerning a student's eligibility. Ogeechee Tech maintains the discretion to select students for verification according to consistently applied institutional policies and federal regulations.			5/13/2026	ogeechee@10119015																																					
/current/Catalog/ Financial-Aid/Types-of Financial-Aid/ HOPE-for-Degree- Programs	Content	Eligible students may receive the HOPE scholarship for up to 127 semester credit hours, provided they make satisfactory progress and have a 3.0 cumulative GPA in the semester that they are attempting to complete their 30th, 60th, and 90th hours and at other checkpoints determined by HOPE.	Eligible students may receive the HOPE scholarship for up to 127 semester credit hours, provided they make satisfactory progress and have a 3.0 cumulative GPA in the semester that they are attempting to complete their 30th, 60th, and 90th hours and at other checkpoints determined by HOPE. Specific Requirements for All Other Degree Seeking Students Students not academically eligible for a HOPE scholarship immediately after high school graduation, and who graduated since 2004, may be eligible for a HOPE scholarship if, after attempting their 30th, 60th, or 90th hour of study in a degree program, they have a cumulative GPA of 3.0 or higher. Hours attempted in a certificate or diploma program which do not transfer into a degree program will not meet the requirement. Degree students are automatically evaluated for the HOPE scholarship. The initial evaluation is processed in the Registrar's Office.				10/23/2025	ogeechee@10119015																																				
/current/Catalog/ Fees-and-Expenses/ Fee-Categories	Content	Fees are categorized as application fees, tuition fees, registration fees, etc. Tuition is assessed according to policies for postsecondary education as set by the Technical College System of Georgia. Continuing education and specialty course fees may be assessed differently according to the course and the business which requests development of a course. Credit card and check payments can be made online by visiting www.ogeecheetech.edu, however over current students, then select Banner Web. VISA, MasterCard, Discover, and American Express are accepted. Payments by cash, checks, or money orders should be made at the Business Office. Checks and money orders should be made payable to Ogeechee Technical College and may not be post-dated. A picture ID is required when payment is made by check. A student who is delinquent in the payment of any financial obligation may be removed from courses of the College and will not be allowed to register for another semester until the delinquency is removed. The student will not be able to view grades, transcripts, or other student records. Any student who receives a notice that her/his status is on "hold" should immediately contact the appropriate office. Current/Catalog/ Fees-and-Expenses/ Payment-Methods	Content	Student bills are emailed weekly to those with outstanding balances beginning approximately 4 weeks prior to the payment deadline. Students may use a variety of methods to pay their tuition and fees. Online Payment Information Payments by check, credit card, or debit card may be made online through your Banner Web account by selecting the Pay by Check, Credit Card option under the Business Office menu. You will need your Banner Web PIN to log in and make payment through this account. NetNet Payment Plan Through our partnership with NetNet Business Solutions, Ogeechee Technical College is able to offer our students a way to pay tuition and fees in monthly installments. Many students find the plan helps make college more affordable by paying their tuition and fees over the course of the semester. There is no interest, payment options are flexible, enrollment fees are affordable, and it is easy to enroll! This is not a loan program and there is no credit check. Enrollment in the plan is easy and available online. All you need to enroll is your student ID, email address, and tuition balance. The plan has a nonrefundable enrollment fee, and payments to NetNet are set up by either automatic bank payment (ACH) or credit or debit card (an additional fee may be assessed). <i>Please note that VISA is not accepted at this time. Click here for more information.</i> Follow the simple steps below to enroll in the Payment Plan: 1. Log into Banner Self-Service 2. Click on "Business Office" 3. Select "Pay By Check, Credit Card, or NetNet" 4. Select the term for payment plan enrollment 5. Select "Pay By Payment Plan with NetNet" Cash/Check/Credit Card Payments may be made by cash, check, credit card, or debit card at the Business Office located on the main campus at One Joseph E. Kennedy Blvd, Statesboro. Check payments may be mailed to: Ogeechee Technical College Business Office - Kennedy Annex Building One Joseph E. Kennedy Blvd. Statesboro, GA 30458 <i>Note: Please be sure to include the student's ID# in the memo portion of the check.</i>	Student bills are emailed weekly to those with outstanding balances beginning approximately 4 weeks prior to the payment deadline. Account/Catalog/ Policies-and- Procedures/Model- Student-Conduct- Codes-Student- Rights-and- Responsibilities	Content	• Student Success Coach can provide resources for counseling in the community. TCSG Procedure 6.7.2p2. Purpose Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of this academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for knowledge. Freedom to teach and freedom to learn are inseparable facets of academic conditions in the classroom, campus, other college sites, and community. Students are expected to exercise their freedoms with responsibility. As members of the academic community, students are subject to the obligations which accrue to them under this membership. As members of the larger community of which the college is a part, students are entitled to all rights and protection accorded by community laws. Nothing in this Code of Conduct shall be interpreted to interfere with any person's right to free speech as provided by the First Amendment to the Constitution of the United States of America. Students are also subject to all laws, the enforcement of which is the responsibility of duly-constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instances, college discipline will be initiated if the student's presence on campus is considered a threat to persons or property or if that person's presence may disrupt the educational process of the college. However, when a student's violation of the law also adversely affects the college's recognized educational objectives or violates its Student Code of Conduct, the college will enforce its regulations. When students violate college regulations, they are subject to disciplinary action by the college whether or not their conduct violates the law. It is the policy of the Technical College System of Georgia (TCSG) to provide technical and adult education programs for the people of Georgia. TCSG's Technical Colleges must provide intellectual, emotional, social, and physical growth opportunities. Technical college students assume an obligation to act in a manner compatible with fulfilling the mission. The Technical College community recognizes its responsibility to provide an atmosphere conducive to growth. TCSG establishes this Student Code of Conduct with these principles in mind. Generally, Technical College jurisdiction and discipline shall be limited to conduct which occurs on Technical College premises, off-campus classes, activities or functions sponsored by the Technical College, an examination or any other written or oral work submitted for evaluation and/or a grade, or which otherwise adversely affects members of the Technical College community and/or the pursuit of the Technical College's objectives. Related Authority TCSG Procedure: 6.7.2p1. Student Discipline TCSG Procedure: 6.1.1p. Unlawful Harassment and Discrimination of Students Applicability All Technical Colleges are associated with the Technical College System of Georgia. Definitions 1. Faculty Member: any person hired by a TCSG technical college to conduct teaching, service, or research activities 2. Hearing Body: as defined in the Student Disciplinary Procedure. 3. Member of the Technical College Community: any person who is a student, faculty member, contractor, Technical College official, or any other person's involved with the Technical College, involved in the community, or employed by the Technical College. 4. Policy: the written regulations of the Technical College as found in, but not limited to, the Student Code of Conduct, Student Handbook(s), Residence Hall Handbook(s), Technical College Catalog(s), the Technical College Policy Manual, and the Policy Manual approved by the State Board for the Technical College System of Georgia. 5. Student: all persons taking courses at the Technical College, including full-time, part-time, dual enrollment, joint enrollment, non-credit, and credit. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the technical college are also considered "students." 6. Organization: Any official or unofficial college group a student is connected with an initiation into, an affiliation with, or the maintenance of membership in (e.g. a club, athletic team, fraternity, or sorority). 7. System: the Technical College System of Georgia or TCSG. 8. Technical College Official: any person employed by the Technical College performing assigned responsibilities on a part-time, full-time, or adjunct basis. 9. Premises: all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the Technical College (including adjacent streets and sidewalks). Attachments N/A Procedure Any student found to have committed any of the following types of misconduct is subject to the disciplinary sanctions outlined in the Student Disciplinary Policy and Procedure. Academic Misconduct a. includes, but is not limited to, the following: i. Aiding and Abetting Academic Misconduct: Knowingly helping, procuring, encouraging, or assisting another person to engage in academic misconduct. ii. Cheating: 1. Use and/or possession of unauthorized material or technology during an examination or any other written or oral work submitted for evaluation and/or a grade, such as tape cassettes, notes, tests, calculators, computer programs, cell phones and/or smartphones, or other electronic devices. ii. Obtaining assistance with or answers to an examination or any other written or oral work submitted for evaluation and/or a grade from another person with or without that person's knowledge. iii. Furnishing assistance with or answers to an examination or any other written or oral work submitted for evaluation and/or a grade to another person. iv. Those possessing, using, distributing, or selling unauthorized copies of an examination, computer program, or any other written or oral work submitted for evaluation and/or a grade. v. Representing as one's own an examination or any other written or oral work submitted for evaluation and/or a grade created by another person. vi. Taking an examination or any other written or oral work submitted for evaluation and/or a grade in place of another person. vii. Obtaining unauthorized access to the computer files of another person or agency and/or altering or destroying those files. viii. Obtaining teacher edition textbooks, test banks, or other instructional materials only intended to be accessed by Technical College officials, college administrators, or faculty members. iii. Fabrication 1. The falsification of any information or citation in an examination or other written or oral work submitted for evaluation and/or a grade. iv. Plagiarism 1. Submitting another's published or unpublished work in whole, in part, or paraphrased, as one's own without entirely and correctly crediting the author with footnotes, quotations, marks, citations, or bibliographical reference. ii. Submitting as one's original work material obtained from an individual or agency without reference to the person or agency as the source of the material. iii. Submitting as one's original work material that has been produced through unacknowledged collaboration with others without release in writing from collaborators. 2. Non-Academic Misconduct a. includes, but is not limited to, the following: i. Behavior 1. Indecent Conduct: lewd or indecent conduct; or distribution of obscene or libelous written or electronic material. ii. Violence: physical abuse of any person (including dating violence, domestic violence, or sexual violence) on Technical College premises or at Technical College-sponsored or Technical College-supervised functions, including physical actions which threaten or endanger the health or safety of any such persons. This includes fighting and/or other disruptive behavior, which includes any action or threat of violence which endangers the peace, safety, or orderly function of the Technical College, its facilities, or persons engaged in the business of the Technical College. Note: certain physical abuse may also be considered unlawful harassment. iii. Harassment: The Technical College prohibits unlawful conduct based on race, color, creed, national or ethnic origin, sex, religion, disability, age, genetic information, political affiliation or belief, disabled veteran or status of the Vietnam Era, or citizenship status addressed directly to any individual or group that has the purpose or effect of unreasonably and objectively interfering with that individual or group's: (1) performance, (2) work or educational environment, or (3) ability to participate in an educational program or activity. The Technical College also prohibits behavior that is objectively intimidating, hostile, or offensive environment. (This also includes the display of or navigation to pornography and other inappropriate websites and materials and inappropriate behavior on social media and/or networking applications.) Impermissible harassment may include verbal, non-verbal, and/or physical conduct. iv. Disruption: prohibits activities not otherwise protected by law, including the First Amendment to the Constitution of the United States of America, which intentionally obstructs or interrupts teaching, research, administration, disciplinary proceedings, or other Technical College activities, including public service functions and other duly-authorized activities on Technical College premises or at Technical College-sponsored activity sites. v. Failure to Comply: Failure to comply with lawful directions of Technical College officials and/or failure to identify oneself to these persons when requested. vi. Bullying: any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication that takes place on College premises or at any College sponsored function that: (a) places a person in actual and reasonable fear of harm to their person or damage to their property; or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits, or a College employee's ability to perform the essential functions of their job. viii. Hazing: Any intentional, knowing or reckless act committed by a person (whether individually or in concert with other persons) against another person or persons regardless of the willingness of such other person or persons to participate, that (1) is committed in the course of an initiation into, an affiliation with or the maintenance of membership in, a student organization; and (2) causes or creates a risk, above the reasonable risk encountered in the course of participation in the College or the organization (such as the physical preparation necessary for participation in an athletic team) of physical or psychological injury including: i. whipping, beating, striking, electronic shocking, placing of a harmful substance on someone's body or similar activity; ii. causing, coercing, or otherwise inducing sleep deprivation, exposure to the elements, confinement in a small space, extreme calisthenics or other similar activity; iii. causing, coercing, or otherwise inducing another person to consume food, liquid, alcohol, drugs or other substances; iv. causing, coercing or otherwise inducing another person to perform sexual acts; v. any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct; vi. any activity against another person that includes a criminal violation of local, State, Tribal or Federal law; and vii. any activity that induces, causes or requires another person to perform a duty or task that involves a criminal violation of local, State, Tribal or Federal law. ix. Use of Social Media and Chat Platforms: Students should obey their social media platform terms of use. Students may not make, or cause to be made, communications (including electronically or through social media) to another person in any manner that harasses or causes alarm. Social media may not be used to breach privacy, discriminate, or harass/threaten. Students may not make, transmit, or attempt to transmit audio or video of any person on College property where there is an explicit expectation of privacy. Any posts or tweets deemed inappropriate on Ogeechee Technical College social web site or blog will be deleted immediately and may result in having access to the site blocked permanently. ii. Personal Appearance: refer to the Ogeechee Technical College Dress Code Policy. iii. Use of Technical College Property i. Theft and Damage: prohibits theft of, misuse of, or harm to Technical College property; or theft of or damage to property of a member of the Technical College community or a campus visitor on Technical College premises or at a Technical College function. ii. Occupation or Seizure: illegal occupation or seizure in any manner of Technical College property, a Technical College Premises, or any portion thereof for a use inconsistent with prescribed institutional, or authorized use. iii. Presence on Technical College Premises: prohibits unauthorized entry upon Technical College Premises; unauthorized entry into Technical College Premises or a portion thereof which has been restricted in use; unauthorized presence in Technical College Premises after closing hours, or furnishing false information to gain entry upon technical college premises. iv. Assembly: prohibits participation in or conducting an unauthorized gathering that objectively threatens or causes injury to person or property or that interferes with free access to Technical College facilities or that is unprotected by the First Amendment to the Constitution of the United States of America and objectively harmful, obstructive, or disruptive to the educational process or functions of the Technical College. v. Fire Alarms: prohibits setting off a fire alarm or using or tampering with any fire safety equipment on Technical College Premises or at Technical College-sponsored activity sites, except with reasonable belief in the need for such alarm or equipment. In the event of a fire alarm sounding, students must evacuate the building unless otherwise directed by a Technical College official. vi. Obstruction: prohibits obstruction of the free flow of pedestrian or vehicular traffic on Technical College Premises or at Technical College-sponsored or supervised functions. Refer to Ogeechee Technical College Parking and Traffic Regulations. iii. Drugs, Alcohol, and Other Substances i. Substances referred to under this policy include all illegal drugs, alcoholic beverages, and misused legal drugs (both prescription and over the counter). ii. Alcohol: Students must comply with all state and federal laws regulating alcohol as well as TCSG Policy II.C.6, Alcohol on Campus. Students may not possess or sell alcohol on campus or at any college-related function. Students being in a state of intoxication on Technical College Premises or at Technical College-sponsored or supervised functions (including off-campus functions), internships, externships, practicum, clinical sites, cooperative, or academic-sponsored programs or activities, or in a Technical College-owned vehicle is prohibited. iii. Controlled Substances, Illegal Drugs, and Drug Paraphernalia: The Technical College prohibits the possession, use, sale, or distribution of any controlled substance, illegal drugs, or drug paraphernalia except as expressly permitted by law. Any influence which may be attributed to the use of drugs or alcoholic beverages shall not in any way limit the responsibility of the individual for the conduct or consequences of their actions. iv. Food: The technical college prohibits eating and/or drinking in classrooms, shops, labs, or other unauthorized areas on Technical College Premises unless otherwise permitted by Technical College officials. v. Smoking/Tobacco: The Technical College prohibits smoking or using other forms of electronic, alternative-smoking devices, or other tobacco products in classrooms, shops, labs, or other unauthorized areas on Technical College Premises. Refer to the Ogeechee Technical College Tobacco Free Procedure. iv. Use of Technology i. Damage and Destruction: Destruction of or harm to equipment, software, or data belonging to the Technical College or others is considered unacceptable usage. This may include altering, downloading, or installing software on Technical College computers, tampering with computer hardware or software configuration, improper access to the Technical College's network, or disconnection of Technical College computers or devices. ii. Electronic Devices: Unless otherwise permitted by Technical College officials, the Technical College prohibits use of electronic devices in classrooms, labs, and other instructional, event, or affiliated facilities on Technical College Premises. Such devices include, but are not limited to, cell phones, cameras, gaming devices, and other electronic devices, which may cause unnecessary disruption to the teaching/learning process on campus. The Technical College also prohibits attaching personal electronic devices to college computers. iii. Harassment: The Technical College prohibits the use of computer technology to interfere with another individual's legal right to be free from harassment based on that individual's race, color, creed, genetic information, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, disabled veteran, a veteran of the Vietnam Era, or citizenship status. iv. Unacceptable Use: Use of computing facilities to interfere with the work of another student, faculty member or Technical College official. This includes the unauthorized use of another individual's identification and password. Ogeechee Technical College prohibits additional violation of the Department's Acceptable Computer and Internet Use. v. Weapons i. The Technical College System of Georgia is committed to providing all employees, students, volunteers, vendors, and contractors a safe and secure workplace and/or academic setting. ii. The possession, carrying, or transportation of a firearm, weapon, or explosive compound/material in or on a college building or property shall be governed by Georgia state law. iii. All individuals are expected to comply with the related laws. Failure to follow laws about weapons is considered a violation of the Student Code of Conduct. iv. Relevant Georgia laws to be aware of and compliant with are the responsibility of the student. Gambling i. The Technical College System of Georgia prohibits violating federal, state, or local gambling laws on Technical College Premises or at Technical College-sponsored or supervised activities. ix. Parking i. The Technical College prohibits violating Ogeechee Technical College regulations regarding the operation and parking of motor vehicles on or around Ogeechee Technical College Premises. x. Financial Responsibility i. The Technical College prohibits the theft or misappropriation of any Technical College, student organization, or other assets. xi. Violation of Technical College Policy i. Violation of System or Technical College Policies, rules, or regulations including, but not limited to, rules imposed upon students who enroll in a particular class or program, internships, externships, practicum, clinical sites, cooperative, or any academic-sponsored programs or activities, student organizations, or students who reside in on-campus housing. xii. Aiding and Abetting i. Aiding, abetting, or procuring another person to do an activity which otherwise violates this Code of Conduct is prohibited. xiii. Falsification of Documentation	3/11/2026 ogeechee@10119015
---	---------	--	--------------------------------

		ii. Occupation or Seizure: illegal occupation or seizure in any manner of Technical College property, a Technical College Premises, or any portion thereof for a use inconsistent with prescribed, customary, or authorized use. iii. Presence on Technical College Premises: prohibits unauthorized entry upon Technical College Premises; unauthorized entry into Technical College Premises or a portion thereof which has been restricted in use; unauthorized presence in Technical College Premises after closing hours, or furnishing false information to gain entry upon technical college premises. iv. Assembly: prohibits participation in or conducting an unauthorized gathering that objectively threatens or causes injury to person or property or that interferes with free access to Technical College facilities or that is unprotected by the First Amendment to the Constitution of the United States of America and objectively harmful, obstructive, or disruptive to the educational process or functions of the Technical College. v. Fire Alarms: prohibits setting off a fire alarm or using or tampering with any fire safety equipment on Technical College Premises or at Technical College-sponsored activity sites, except with reasonable belief in the need for such alarm or equipment. In the event of a fire alarm sounding, students must evacuate the building unless otherwise directed by a Technical College official. vi. Obstruction: prohibits obstruction of the free flow of pedestrian or vehicular traffic on Technical College Premises or at Technical College-sponsored or supervised functions. Refer to Ogeechee Technical College Parking and Traffic Regulations. iv. Drugs, Alcohol, and Other Substances i. Substances referred to under this policy include all illegal drugs, alcoholic beverages, and misused legal drugs (both prescription and over the counter). 1. Alcohol: Students must comply with all state and federal laws regulating alcohol as well as TCSG Policy II.C.8, Alcohol on Campus. Alcoholic beverages may not be served or sold at any student-sponsored function. Students being in a state of intoxication on Technical College Premises or at Technical College-sponsored or supervised functions (including off-campus functions), internships, externships, practicum, clinical sites, cooperative, or academic-sponsored programs or activities, or in a Technical College-owned vehicle is prohibited. 2. Controlled Substances, Illegal Drugs, and Drug Paraphernalia: The Technical College prohibits the possession, use, sale, or distribution of any controlled substance, illegal drug, or drug paraphernalia except as expressly permitted by law. Any influence which may be attributed to the use of drugs or alcoholic beverages shall not in any way limit the responsibility of the individual for the conduct or consequences of their actions. 3. Food: The technical college prohibits eating and/or drinking in classrooms, shops, labs, or other unauthorized areas on Technical College Premises unless otherwise permitted by Technical College officials. 4. Smoking/Tobacco: The Technical College prohibits smoking or using other forms of electronic, alternative-smoking devices, or other forms of tobacco products in classrooms, shops, labs, or other unauthorized areas on Technical College Premises. Refer to the Ogeechee Technical College Tobacco Procedure. ii. Use of Technology i. Damage and Destruction: Destruction of or harm to equipment, software, or data belonging to the Technical College or others is considered unacceptable usage. This may include altering, downloading, or installing software on Technical College computers, tampering with computer hardware or software configuration, improper access to the Technical College's network, and disconnection of Technical College computers or devices. ii. Electronic Devices: Unless otherwise permitted by Technical College officials, the Technical College prohibits use of electronic devices in classrooms, labs, and other instructional, event, or affiliated facilities on Technical College Premises. Such devices include, but are not limited to, cell phones, beepers, walkie-talkies, cameras, gaming devices, and other electronic devices, which may cause unnecessary disruption to the teaching/learning process on campus. The Technical College also prohibits attaching personal electronic devices to college computers. iii. Harassment: The Technical College prohibits the use of computer technology to objectively interfere with another's legal right to be free from harassment based on that individual's race, color, creed, genetic information, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, disabled veteran, a veteran of the Vietnam Era, or citizenship status. iv. Unacceptable Use: Use of computing facilities to interfere with the work of another student, faculty member or Technical College official. This includes the unauthorized use of another individual's identification and password. Ogeechee Technical College prohibits additional violation of the Department's Acceptable Computer and Internet Use. iii. Weapons i. The Technical College System of Georgia is committed to providing all employees, students, volunteers, visitors, vendors, and contractors a safe and secure workplace and/or academic setting. ii. The possession, carrying, or transportation of a firearm, weapon, or explosive component/material in or on a college building or property shall be governed by Georgia state law. iii. All individuals are expected to comply with the related laws. Failure to follow laws about weapons is considered a violation of the Student Code of Conduct. iv. Relevant Georgia laws to be aware of and compliant with include, but may not be limited to: O.C.G.A. § 16-8-12(a)(6)(A)(iii) O.C.G.A. § 16-7-80 O.C.G.A. § 16-7-81 O.C.G.A. § 16-7-85 O.C.G.A. § 16-11-121 O.C.G.A. § 16-11-125.1 O.C.G.A. § 16-11-126 O.C.G.A. § 16-11-127 O.C.G.A. § 16-11-127.1 O.C.G.A. § 16-11-129 O.C.G.A. § 16-11-130 O.C.G.A. § 16-11-133 O.C.G.A. § 16-11-135 O.C.G.A. § 16-11-137 O.C.G.A. § 43-38-10 iv. Gambling i. The Technical College System of Georgia prohibits violating federal, state, or local gambling laws on Technical College Premises or at Technical College-sponsored or supervised activities. v. Parking i. The Technical College prohibits violating Ogeechee Technical College regulations regarding the operation and parking of motor vehicles on or around Ogeechee Technical College Premises. vi. Financial Irresponsibility i. The Technical College prohibits the theft or misappropriation of any Technical College, student organization, or other assets. vii. Violation of Technical College Policy i. Violation of System or Technical College Policies, rules, or regulations including, but not limited to, rules imposed upon students who enroll in a particular class or program, internships, externships, practicum, clinical sites, cooperative, or any academic-sponsored programs or activities, student organizations, or students who reside in on-campus housing. viii. Aiding and Abetting i. Aiding, abetting, or procuring another person to do an activity which otherwise violates this Code of Conduct is prohibited. ix. Falsification of Documentation i. Disciplinary proceedings may be instituted against a student who falsifies any documentation related to the Technical College either to the Technical College or others in the community, including, but not limited to falsification of Technical College transcripts; transcripts or other documentation from other institutions to obtain credit from or admission to the Technical College; Technical College report cards or other grade reports; documentation related to a student's citizenship status; tests, homework, attendance records; signature of any Technical College employee in his or her official capacity; signatures of any employee of a clinical or internship site where the student is participating in an educational program associated with the Technical College or records related to any criminal, internship, or other academic activity associated with the Technical College. x. Violation of Law i. Suppose a student is convicted or pleads Nolo Contendere to an on-campus or off-campus violation of federal, state, or local law, but not has not been charged with any other violation of the Student Code of Conduct. In that case, disciplinary action may nevertheless be taken, and sanctions imposed if the violation of federal, state, or local law is detrimental to the Technical College's vital interests and stated mission and purpose. ii. Disciplinary proceedings may be instituted against a student charged with a violation of a law that violates the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following criminal proceedings. iii. When a student is charged by federal, state, or local authorities with a violation of law, the Technical College will not request or agree to special consideration for that individual because of their status as a student. The Technical College will cooperate fully with law enforcement and other agencies in enforcing criminal law on campus and the conditions imposed by criminal courts for rehabilitating student violators. Individual students, acting in their capacities, remain free to interact with governmental representatives as they deem appropriate. xi. Abuse of the Student Judicial Process, including but not limited to: i. Failure to obey the notification of the Vice President for Student Affairs or the Technical college president's designee, Hearing Body, Appellate Board, or Technical College Official. ii. Falsification, distortion, or misrepresentation of information in a judicial proceeding. iii. Disruption or interference with the orderly conduct of a disciplinary proceeding. iv. Initiating a disciplinary proceeding knowingly without cause. v. Attempting to discourage an individual's proper participation in, or use of, the disciplinary process. vi. Attempting to influence the impartiality of a member of a Hearing Body or Appellate Board prior to, and/or during, the disciplinary proceeding. vii. Harassment (verbal or physical) and/or intimidation of a member of a Hearing Body or Appellate Board prior to, during, and/or after a disciplinary proceeding. viii. Failure to comply with the Student Code's sanction(s) imposed.			
Record Retention					
Documents shall be held for no less than three (3) years after the student's graduation or the date of the student's last attendance.					
/current/Catalog/ Policies-and- Procedures/Student-Discipline	Content	TCSG Procedure 6.7.2p1. Purpose The administration reserves the right to maintain a safe and orderly educational environment for students and staff. Therefore, when, in the judgment of Technical College officials, a student's conduct disrupts or threatens to disrupt the Technical College community, appropriate disciplinary action will be taken to restore and protect the atmosphere of collegiality and mutual respect on campus. This procedure is intended to provide an orderly protocol for handling student disciplinary cases following due process and justice principles. Related Authority TCSG Procedure: 6.7.2p2. Model Student Conduct Codes Applicability All Technical Colleges are associated with the Technical College System of Georgia.	3/11/2026	ogeechee@10119015

Applicability All Technical Colleges are associated with the Technical College System of Georgia. Definitions Academic Misconduct: includes, but is not limited to, the definition found in the Student Code of Conduct, Article II, Paragraphs 1-4. Business Days: weekdays that the Technical College administrative offices are open. Hearing Body: any person or persons authorized by the president of a Technical College to provide a hearing as provided in this procedure. Member of the Technical College Community: any person who is a student, faculty member, Technical College official, or any other person's involved with the Technical College community or employed by the Technical College. Policy: the written regulations of the Technical College as found in, but not limited to, the Student Code of Conduct, Student Handbook(s), Residence Hall Handbook(s), Technical College Catalog(s), the Technical College Policy Manual, and the Policy Manual approved by the State Board for the Technical College System of Georgia. Student: all persons taking courses at the Technical College full-time, part-time, dual enrollment, joint enrollment, non-credit, and credit. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the Technical College are considered "students." Student Organization: any persons who have complied with the formal requirements for Technical College recognition. Technical College Official/Designee: any person employed by the Technical College performing assigned administrative responsibilities on a part-time, full-time, or adjunct basis. Premises: all land, buildings, facilities, and other property in possession of or owned, used, or controlled by the Technical College (including adjacent streets and sidewalks).	Attachments Attachment: 6.7.2p1.a.1. Student Code of Conduct Complaint Form Attachment: 6.7.2p1.a.2. Disciplinary Sanction Appeal Form Procedures Filing a Complaint - Any person may file a complaint with the Vice President for Student Affairs or the Technical College designee against any student for an alleged violation of the Student Code of Conduct. The individual(s) initiating the action should complete a Student Code of Conduct Complaint Form, and provide it to the Vice President for Student Affairs or the Technical College president's designee. - Academic Misconduct may be managed using this procedure or a separate Academic Misconduct Procedure at the discretion of the Technical College president. - Investigation and Decision - Within the business days after the Student Code of Conduct Complaint Form (the "Complaint") is filed, the Vice President for Student Affairs or the Technical College president's designee shall complete a preliminary investigation of the incident. This initial meeting may only be rescheduled one time. Suppose the Student fails to respond to the Vice President for Student Affairs or the Technical College president's designee to schedule a meeting with the Student against whom the complaint was filed in order to discuss the incident and the allegations. If additional time is necessary, the Student will be notified. After discussing the complaint with the Student, the Vice President for Student Affairs or the Technical College president's designee shall determine whether the Student committed the alleged conduct and whether the alleged conduct constitutes a violation of the Student Code of Conduct. - The Student shall have five business days from the date contacted by the Vice President for Student Affairs or the Technical College president's designee to schedule the meeting. This initial meeting may only be rescheduled one time. If the Student fails to respond to the Vice President for Student Affairs or the Technical College president's designee within five business days to schedule the meeting, reschedule the meeting more than once, or fails to appear at the meeting, in that case, the Vice President for Student Affairs or the Technical College president's designee will consider the available evidence without student input and decide. - If a Complaint alleges violations of the Student Code of Conduct by more than one Student, in that case, each Student's disciplinary proceeding and any appeals relating to that proceeding shall be conducted individually. - If the Vice President for Student Affairs or the Technical College designee determines that the Student has violated the Student Code of Conduct, in that case, they shall impose one or more disciplinary sanctions consistent with those described below. However, if the Vice President for Student Affairs or the Technical College designee determines that the Student's alleged conduct was not a violation of the Student Code of Conduct, in that case, the college shall not impose disciplinary sanctions on the Student and the investigation shall be closed. If additional time is necessary, the Student will be notified. After discussing the complaint with the Student, the Vice President for Student Affairs or the Technical College president's designee shall determine whether the Student committed the alleged conduct and whether the alleged conduct constitutes a violation of the Student Code of Conduct. - The Student shall have five business days from the date contacted by the Vice President for Student Affairs or the Technical College president's designee to schedule the meeting. This initial meeting may only be rescheduled one time. If the Student fails to respond to the Vice President for Student Affairs or the Technical College president's designee within five business days to schedule the meeting, reschedule the meeting more than once, or fails to appear at the meeting, in that case, the Vice President for Student Affairs or the Technical College president's designee will consider the available evidence without student input and decide. - Supposed a Complaint alleges violations of the Student Code of Conduct by more than one Student, in that case, each Student's disciplinary proceeding and any appeals relating to that proceeding shall be conducted individually. - Suppose the Vice President for Student Affairs or the Technical College president's designee determines that the Student has violated the Student Code of Conduct, in that case, they shall impose one or more disciplinary sanctions consistent with those described below. However, suppose the Vice President for Student Affairs or the Technical College president's designee determines that the alleged conduct did not occur or that the conduct was not a violation of the Student Code of Conduct, in that case, they shall not impose disciplinary sanctions on the Student and the investigation shall be closed.	Disciplinary Sanctions Violation of the Student Code of Conduct - Based on the severity of the incident, the Vice President for Student Affairs may take one of two actions, no referral to the Hearing Body or referral to the Hearing Body. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may impose one or more of the following sanctions without referral to the Hearing Body. Restitution: A student who has committed an offense against property may be required to reimburse the Technical College or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement. Reprimand: A written reprimand may be given to any student. Such a reprimand does not restrict the Student in any way. However, it signifies to the Student that there is being given another chance to conduct themselves as a proper member of the Technical College community and that any further violation may result in more serious sanctions. Restriction: A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the Technical College, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities. Failing or Lowered Grade: In cases of Academic Misconduct, the Vice President for Student Affairs or the Technical College president's designee will make a recommendation to the Vice President for Academic Affairs or their designee, who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described in section 2.a.1.1. above, following a hearing. A copy of the written recommendation shall be provided to the Student. Disciplinary Suspension: If a student is suspended, they are separated from the Technical College for a stated period of time. Conditions of reinstatement, if any, must be stated in the notice of suspension. Disciplinary Expulsion: Removal and exclusion from the Technical College, Technical College controlled facilities, programs, events, and activities. The Vice President for Student Affairs or the Technical College president's designee maintains a record of the reason for the student's dismissal. Students dismissed from the Technical College for any reason may write to the Vice President for Student Affairs for reinstatement twelve months following the expulsion. If approval for reinstatement is granted, the Student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice President for Student Affairs or the Technical College president's designee. System-Wide Expulsion: Where a student has been expelled or suspended three times from the same or different colleges in the Technical College System of Georgia in the past seven years, the Student will not be permitted to register at any college in the Technical College System of Georgia for ten years after the most recent expulsion/suspension. Depending on the action that results in expulsion from a college, the student may qualify for system-wide expulsion after the first incident. The General Counsel of TCSG will determine if system-wide expulsion is appropriate.	Attachments Attachment: 6.7.2p1.a.1. Student Code of Conduct Complaint Form Attachment: 6.7.2p1.a.2. Disciplinary Sanction Appeal Form Procedures Filing a Complaint - Any person may file a complaint with the Vice President for Student Affairs or the Technical College designee against any student for an alleged violation of the Student Code of Conduct. The individual(s) initiating the action should complete a Student Code of Conduct Complaint Form, and provide it to the Vice President for Student Affairs or the Technical College president's designee. - Academic Misconduct may be managed using this procedure or a separate Academic Misconduct Procedure at the discretion of the Technical College president. - Investigation and Decision - Within five business days after the Student Code of Conduct Complaint Form (the "Complaint") is filed, the Vice President for Student Affairs or the Technical College designee shall complete a preliminary investigation of the incident. A meeting will be scheduled with the student against whom the complaint was filed in order to discuss the incident and the allegations. If additional time is necessary, the Student will be notified. After discussing the complaint with the Student, the Vice President for Student Affairs or the Technical College designee shall determine whether the Student committed the alleged conduct and whether the alleged conduct constitutes a violation of the Student Code of Conduct. - The Student shall have five business days from the date contacted by the Vice President for Student Affairs or the Technical College designee to schedule the meeting. This initial meeting may only be rescheduled one time. If the Student fails to respond to the Vice President for Student Affairs or the Technical College designee within five business days to schedule the meeting, reschedule the meeting more than once, or fails to appear at the meeting, in that case, the Vice President for Student Affairs or the Technical College designee will consider the available evidence without student input and decide. - If a Complaint alleges violations of the Student Code of Conduct by more than one Student, in that case, each Student's disciplinary proceeding and any appeals relating to that proceeding shall be conducted individually. - If the Vice President for Student Affairs or the Technical College designee determines that the Student has violated the Student Code of Conduct, in that case, they shall impose one or more disciplinary sanctions consistent with those described below. However, if the Vice President for Student Affairs or the Technical College designee determines that the Student's alleged conduct was not a violation of the Student Code of Conduct, in that case, the college shall not impose disciplinary sanctions on the Student and the investigation shall be closed.
Disciplinary Sanctions Violation of the Student Code of Conduct - Based on the severity of the incident, the Vice President for Student Affairs may take one of two actions, no referral to the Hearing Body or referral to the Hearing Body. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may impose one or more of the following sanctions without referral to the Hearing Body. The notification shall be sent to the Student and the person(s) who initially filed the complaint. Restitution: A student who has committed an offense against property may be required to reimburse the Technical College or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement. Reprimand: A written reprimand may be given to any student. Such a reprimand does not restrict the Student in any way. However, it signifies to the Student that there is being given another chance to conduct themselves as a proper member of the Technical College community and that any further violation may result in more serious sanctions. Restriction: A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the Technical College, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities. Disciplinary Probation: Continued student enrollment on probation may be conditioned upon adherence to specified terms. Any student placed on probation will be notified of the terms and length of probation in writing. Any conduct determined after due process to violate these terms while on probation may result in the imposition of more serious disciplinary sanctions, as specified by the terms of probation. Failing or Lowered Grade: In cases of Academic Misconduct, the Vice President for Student Affairs or the Technical College president's designee will make a recommendation to the Vice President for Academic Affairs or their designee, who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may recommend the imposition of one of the following sanctions if appropriate. The Vice President for Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described in section 2.a.1.1. above, following a hearing. A copy of the written recommendation shall be provided to the Student and the person(s) who initially filed the complaint. Disciplinary Suspension: If a student is suspended, they are separated from the Technical College for a stated period of time. Conditions of reinstatement, if any, must be stated in the notice of suspension. Disciplinary Expulsion: Removal and exclusion from the Technical College, Technical College controlled facilities, programs, events, and activities. The Vice President for Student Affairs or the Technical College president's designee maintains a record of the reason for the student's dismissal. Students dismissed from the Technical College for any reason may write to the Vice President for Student Affairs for reinstatement twelve months following the expulsion. If approval for reinstatement is granted, the Student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice President for Student Affairs or the Technical College president's designee. System-Wide Expulsion: Where a student has been expelled or suspended three times from the same or different colleges in the Technical College System of Georgia in the past seven years, the Student will not be permitted to register at any college in the Technical College System of Georgia for ten years after the most recent expulsion/suspension.	Violations of Federal, State, or Local Law - If a student is convicted or pleads nolo contendere to an off-campus violation of federal, state, or local law but not with any other violation of the Student Code of Conduct, in that case, disciplinary action may be taken, and sanctions imposed for misconduct detrimental to the Technical College's vital interests and stated mission and purpose. - Disciplinary proceedings may be instituted against a student charged with a violation of a law that violates the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be conducted prior to, simultaneously with, or following criminal proceedings. - When a student is charged by federal, state, or local authorities with a violation of law, the Technical College will not request or agree to special consideration for that individual based on the fact that the student is a student. The Technical College will cooperate fully with law enforcement and other agencies in enforcing criminal law and the conditions imposed by criminal courts for rehabilitating student violators. Individual students, acting in their capacities, remain free to interact with governmental representatives as they deem appropriate. Interim Disciplinary Suspension - As a general rule, the status of a student accused of violating the Student Code of Conduct should not be altered until a final determination is made regarding the allegations against them. However, an interim suspension may be imposed if determined by the Vice President for Student Affairs or their designee that the continued presence of the accused Student on campus constitutes a potential or immediate threat to the safety and well-being of the accused Student or any other member of the Technical College community or its guests, or that the continued presence of the Student on campus creates a risk of substantial disruption of classroom or other Technical College-related activities. If an interim disciplinary suspension is imposed, the matter must be referred as soon as possible to the Hearing Body. The Student need not request an appeal. Conditions of Disciplinary Suspension and Expulsion - A student who has been suspended or expelled from the Technical College shall be denied all privileges afforded a student and shall be required to vacate Technical College Premises at a time determined by the Vice President for Student Affairs or the Technical College designee. - In addition, after vacating the Technical College premises, a suspended or expelled Student may not enter upon the Technical College Premises at any time, for any purpose, in the absence of written permission from the Vice President for Student Affairs or the Technical College designee. A suspended or expelled student must contact the Vice President for Student Affairs or the Technical College designee for permission to enter the Technical College Premises for a limited, specified purpose. - If the student seeks to submit a signed Disciplinary Sanction Appeal Form, the Vice President for Student Affairs or the technical college president's designee must accept the form by email, mail, or fax if they refuse the student's request to enter the Technical College (reimburse for that specified purpose). - A scheduled appeal hearing before the Hearing Body shall be understood as expressed permission from the Vice President for Student Affairs or the Technical College designee for a student to enter the Technical College premises for the duration of that hearing. Mediation - At the discretion of the Technical College president, the Technical College may adopt a mediation procedure to be utilized prior to the appeals set forth herein. However, mediation may never be used in cases of alleged sexual misconduct. Hearings/Appeals Procedure - A student who wishes to appeal a disciplinary decision by the Vice President for Student Affairs or the Technical College designee regarding an assigned sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade must file a written notice of appeal through the Technical College president's office for review by the Hearing Body within five business days of notification of the decision. The person filing the initial complaint against the Student must be notified of the hearing date. - If the Vice President for Student Affairs or the Technical College designee recommended a sanction of disciplinary suspension, disciplinary expulsion, or system-wide expulsion. In that case, the matter will be referred to the Hearing Body by the Vice President for Student Affairs. The Student need not file a written notice of his or her desire to appear before the Hearing Body. However, the person filing the initial complaint shall also be notified of the hearing. - The Student will then have the right to appear in a hearing before a Hearing Body assigned by the Technical College president or their designee within ten business days to present evidence and/or testimony. If the Student has been placed on an interim disciplinary suspension, the hearing must be held as soon as possible, preferably within five days. The student has the right to be assisted by any single advisor they choose, at their own expense. The Student is responsible for presenting their case; therefore, advisors are not permitted to speak or participate directly in any hearing before a Hearing Body. The Hearing Body may consist of a single person or group from the Technical College community. There shall be a single official record of all hearings before the Hearing Body, such as a tape recording. The official record shall be the property of the Technical College. The standard of proof in all hearings shall be a preponderance of the evidence. The chairperson of the Hearing Body shall notify the Technical College president and the Vice President for Student Affairs in writing of the Hearing Body's decision. The Technical College president or their designee will notify the Student in writing of the Hearing Body's decision. - If the Student appeared before the Hearing Body to appeal to the Vice President for Student Affairs or the Technical College designee a sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade, in that case, the Hearing Body's decision regarding the appeal is final. A copy of the Hearing Body's written decision will be provided to the Student. - If the Student appeared before the Hearing Body after the Vice President for Student Affairs or the Technical College designee recommended disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the Student should be able to appeal directly to the Technical College president. - If entitled to an appeal to the Technical College president, the Student shall have five business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. The Student shall ensure that all relevant information is included with this request. In addition, the person who filed the original complaint shall be notified of the Student's appeal. - The president of the Technical College or his/her designee's review shall be in writing and only consider evidence currently in the record; new facts not brought up in earlier stages of the appeal shall not be considered. The Technical College president or their designee shall deliver the decision to the Student within ten business days. The decision of the Technical College president or their designee shall be final and binding.	Disciplinary Sanctions Violation of the Student Code of Conduct - Based on the severity of the incident, the Vice President for Student Affairs may take one of two actions, no referral to the Hearing Body or referral to the Hearing Body. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may impose one or more of the following sanctions without referral to the Hearing Body. Restitution: A student who has committed an offense against property may be required to reimburse the Technical College or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement. Reprimand: A written reprimand may be given to any student. Such a reprimand does not restrict the Student in any way. However, it signifies to the Student that there is being given another chance to conduct themselves as a proper member of the Technical College community and that any further violation may result in more serious sanctions. Restriction: A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the Technical College, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities. Failing or Lowered Grade: In cases of Academic Misconduct, the Vice President for Student Affairs or the Technical College president's designee will make a recommendation to the Vice President for Academic Affairs or their designee, who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described in section 2.a.1.1. above, following a hearing. A copy of the written recommendation shall be provided to the Student. Disciplinary Suspension: If a student is suspended, they are separated from the Technical College for a stated period of time. Conditions of reinstatement, if any, must be stated in the notice of suspension. Disciplinary Expulsion: Removal and exclusion from the Technical College, Technical College controlled facilities, programs, events, and activities. The Vice President for Student Affairs or the Technical College president's designee maintains a record of the reason for the student's dismissal. Students dismissed from the Technical College for any reason may write to the Vice President for Student Affairs for reinstatement twelve months following the expulsion. If approval for reinstatement is granted, the Student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice President for Student Affairs or the Technical College president's designee. System-Wide Expulsion: Where a student has been expelled or suspended three times from the same or different colleges in the Technical College System of Georgia in the past seven years, the Student will not be permitted to register at any college in the Technical College System of Georgia for ten years after the most recent expulsion/suspension. Depending on the action that results in expulsion from a college, the student may qualify for system-wide expulsion after the first incident. The General Counsel of TCSG will determine if system-wide expulsion is appropriate.
Violations of Federal, State, or Local Law - If a student is convicted or pleads nolo contendere to an off-campus violation of federal, state, or local law but not with any other violation of the Student Code of Conduct, in that case, disciplinary action may be taken, and sanctions imposed for misconduct detrimental to the Technical College's vital interests and stated mission and purpose. - Disciplinary proceedings may be instituted against a student charged with a violation of a law that violates the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be conducted prior to, simultaneously with, or following criminal proceedings. - When a student is charged by federal, state, or local authorities with a violation of law, the Technical College will not request or agree to special consideration for that individual based on the fact that the student is a student. The Technical College will cooperate fully with law enforcement and other agencies in enforcing criminal law on campus and the conditions imposed by criminal courts for rehabilitating student violators. Individual students, acting in their capacities, remain free to interact with governmental representatives as they deem appropriate. Interim Disciplinary Suspension - As a general rule, the status of a student accused of violating the Student Code of Conduct should not be altered until a final determination is made regarding the allegations against them. However, an interim suspension may be imposed upon a finding by the Vice President for Student Affairs or their designee that the continued presence of the accused Student on campus constitutes a potential or immediate threat to the safety and well-being of the accused Student or any other member of the Technical College community or its guests, or that the continued presence of the Student on campus creates a risk of substantial disruption of classroom or other Technical College-related activities. If an interim disciplinary suspension is imposed, the matter must be referred as soon as possible to the Hearing Body. The Student need not request an appeal. Conditions of Disciplinary Suspension and Expulsion - A student who has been suspended or expelled from the Technical College shall be denied all privileges afforded a student and shall be required to vacate Technical College Premises at a time determined by the Vice President for Student Affairs or the Technical College president's designee. - In addition, after vacating the Technical College premises, a suspended or expelled Student may not enter upon the Technical College Premises at any time, for any purpose, in the absence of written permission from the Vice President for Student Affairs or the Technical College president's designee. A suspended or expelled student must contact the Vice President for Student Affairs or the Technical College president's designee for permission to enter the Technical College Premises for a limited, specified purpose. - If the student seeks to submit a signed Disciplinary Sanction Appeal Form, the Vice President for Student Affairs or the technical college president's designee must accept the form by email, mail, or fax if they refuse the student's request to enter the Technical College (reimburse for that specified purpose). - A scheduled appeal hearing before the Hearing Body shall be understood as expressed permission from the Vice President for Student Affairs or the Technical College president's designee for a student to enter the Technical College premises for the duration of that hearing. Mediation - At the discretion of the Technical College president, the Technical College may adopt a mediation procedure to be utilized prior to the appeals set forth herein. However, mediation may never be used in cases of alleged sexual misconduct. Hearings/Appeals Procedure - A student who wishes to appeal a disciplinary decision by the Vice President for Student Affairs or the Technical College president's designee regarding an assigned sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade must file a written notice of appeal through the Technical College president's office for review by the Hearing Body within five business days of notification of the decision. The person filing the initial complaint against the Student must be notified of the hearing date. - If the Vice President for Student Affairs or the Technical College designee recommended a sanction of disciplinary suspension, disciplinary expulsion, or system-wide expulsion. In that case, the matter will be referred to the Hearing Body by the Vice President for Student Affairs. The Student need not file a written notice of his or her desire to appear before the Hearing Body. However, the person filing the initial complaint shall also be notified of the hearing. - The Student will then have the right to appear in a hearing before a Hearing Body assigned by the Technical College president or their designee within ten business days to present evidence and/or testimony. If the Student has been placed on an interim disciplinary suspension, the hearing must be held as soon as possible, preferably within five days. The student has the right to be assisted by any single advisor they choose, at their own expense. The Student is responsible for presenting their case; therefore, advisors are not permitted to speak or participate directly in any hearing before a Hearing Body. The Hearing Body may consist of a single person or group from the Technical College community. There shall be a single official record of all hearings before the Hearing Body, such as a tape recording. The official record shall be the property of the Technical College. The standard of proof in all hearings shall be a preponderance of the evidence. The chairperson of the Hearing Body shall notify the Technical College president and the Vice President for Student Affairs in writing of the Hearing Body's decision. The Technical College president or their designee will notify the Student in writing of the Hearing Body's decision. - If the Student appeared before the Hearing Body to appeal to the Vice President for Student Affairs or the Technical College designee a sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade, in that case, the Hearing Body's decision regarding the appeal is final. A copy of the Hearing Body's written decision will be provided to the Student. - If the Student appeared before the Hearing Body after the Vice President for Student Affairs or the Technical College designee recommended disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the Student should be able to appeal directly to the Technical College president. - If entitled to an appeal to the Technical College president, the Student shall have five business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. The Student shall ensure that all relevant information is included with this request. In addition, the person who filed the original complaint shall be notified of the Student's appeal. - The president of the Technical College or his/her designee's review shall be in writing and only consider evidence currently in the record; new facts not brought up in earlier stages of the appeal shall not be considered. The Technical College president or their designee shall deliver the decision to the Student within ten business days. The decision of the Technical College president or their designee shall be final and binding.	Record Retention The Vice President for Student Affairs or the Technical College designee shall retain a copy of all documents concerning complaints, investigations, administrative actions, and communications concerning any incident that resulted in a disciplinary investigation of any kind against a student; records of any disciplinary appeals filed by the affected Student, as well as the resulting record of appeal and decision submitted by the Hearing Body and the Technical College president or their designee; and records of the final decision. All records specified in this section shall be retained for five years.	Record Retention The Vice President for Student Affairs or the Technical College designee shall retain a copy of all documents concerning complaints, investigations, administrative actions, and communications concerning any incident that resulted in a disciplinary investigation of any kind against a student; records of any disciplinary appeals filed by the affected Student, as well as the resulting record of appeal and decision submitted by the Hearing Body and the Technical College president or their designee; and records of the final decision. All records specified in this section shall be retained for five years.

		Hearing Body within five business days of notification of the decision. The person filing the initial complaint against the Student must be notified of the hearing date. b. Suppose the Vice President for Student Affairs or the Technical College president's designee recommended a sanction of disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion. In that case, the matter will be referred to the Hearing Body by the Vice President for Student Affairs. The Student need not file a written notice of his or her desire to appear before the Hearing Body. However, the person filing the initial complaint shall also be notified of the hearing. c. The Student will then have the right to appear in a hearing before a Hearing Body assigned by the Technical College president or their designee within ten business days to present evidence and/or testimony. If the Student has been placed on an interim disciplinary suspension, the hearing must be held as soon as possible, preferably within five days. The Student has the right to be assisted by any single advisor they choose, at their own expense. The Student is responsible for presenting their case; therefore, advisors are not permitted to speak or participate directly in any hearing before a Hearing Body. The Hearing Body may consist of a single person or group from the Technical College community. There shall be a single official record of all hearings before the Hearing Body, such as a tape recording. The official record shall be the property of the Technical College. The standard of proof in all hearings shall be a preponderance of the evidence. The chairperson of the Hearing Body shall notify the Technical College president and the Vice President for Student Affairs in writing of the Hearing Body's decision. The Technical College president or their designee will notify the Student in writing of the Hearing Body's decision. d. Suppose the Student appeared before the Hearing Body to appeal to the Vice President for Student Affairs or the Technical College president's designee's sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade. In that case, the Hearing Body's decision regarding the appeal is final. A copy of the Hearing Body's written decision will be provided to both the Student and the person who filed the original complaint. e. Suppose the student appeared before the Hearing Body after the Vice President for Student Affairs or the Technical College president's designee recommended disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the Student should be able to appeal directly to the Technical College president. f. If entitled to an appeal to the Technical College president, the Student shall have five business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. The Student shall ensure that all relevant information is included with this request. In addition, the person who filed the original complaint shall be notified of the Student's appeal. g. The president of the Technical College or his/her designee's review shall be in writing and only consider evidence currently in the record; new facts not brought up in earlier stages of the appeal shall not be considered. The decision of the Technical College president or their designee shall be final and binding. Record Retention The Vice President for Student Affairs or the Technical College president's designee shall retain a copy of all documents concerning compensative actions, and communications concerning any incident that resulted in a disciplinary investigation of any kind against a student; records of any disciplinary appeals filed by the affected Student, as well as the resulting record of appeal and decision submitted by the Hearing Body and the Technical College president or their designee; and records of the final decision. All records specified in this section shall be retained for five years.																																																									
icurrent/Catalog/ Policies-and- Procedures/Student- Grievances	Content	Written Student Grievances/Complaints TCSG Procedure 6.5.3p. Purpose It is the policy of the Technical College System of Georgia to maintain a grievance process available to all students that provides an open and meaningful forum for their grievances, the resolution of these grievances, and is subject to clear guidelines. This procedure does not address grievances related to unlawful harassment, discrimination, and/or retaliation for reporting harassment/discrimination against students. Those complaints are handled by the Unlawful Harassment and Discrimination of Students Procedure. Related Authority O.C.G.A. § 20-4-11 – Powers of the Board O.C.G.A. § 20-4-14 – TCSG Established: Powers and Duties TCSG Procedure 6.1.1p. – Unlawful Harassment and Discrimination of Students Applicability All technical colleges are associated with the Technical College System of Georgia. Definitions: 1. Grievable issues: Issues arising from applying a policy/procedure to the student's specific case are always grievable. Specifically grievable are issues related to student advisement, improper disclosure of grades, unfair testing procedures, and poor treatment of students; this is a representative list and is not meant to be exhaustive. 2. Non-Grievable issues: Issues with a separate process for resolution (i.e. disciplinary sanctions, FERPA, financial aid, academic grades, discrimination, harassment, etc.) are not grievable and a student must take advantage of the process in place. 3. Business Days: Weekdays when the college administrative offices are open. 4. Vice President for Student Affairs (VPSA): The staff member in charge of the student services division at the college. 5. Retaliation: Unfavorable action taken, a condition created, or other action taken by a student/employee for intimidation directed toward a student because the student initiated a grievance or participated in an investigation of a grievance. 6. Grievant: the student who is making the complaint. Attachments N/A Procedure 1. For all timelines established herein, if a student will need additional time, an extension may be granted at the Vice President for Student Affairs' discretion. 2. Informal Grievance Procedure: Students with grievable issues should resolve those issues, if possible, on an informal basis without the filing of a formal grievance. a. A student has ten business days from the date of the incident being grievable to resolve the matter informally by approaching their instructor, department chair, or any other staff or faculty member directly involved in the grievable incident. b. Where this process does not resolve the grievable issue, the student may proceed to the formal grievance procedure below. 3. Formal Grievance Procedure: If students cannot resolve their grievance informally, they may use this formal grievance procedure. a. Within fifteen business days of the incident being grievable, the student must file a formal grievance (written or typed) in the office of the Vice President for Student Affairs (VPSA) or the Technical College president's designee with the following information: i. Name ii. Date iii. Brief description of an incident being grievable iv. Remedy requested v. Signed vi. Informal remedy attempted by student and outcome b. If the grievance is against the VPSA, the student shall file the grievance with the Technical College president. c. The VPSA, or the Technical College president's designee, will investigate the matter and supply a written response to the student within fifteen business days. d. Suppose the grievable incident involves possible unlawful harassment, discrimination, or retaliation for reporting unlawful harassment/discrimination. In that case, the investigation will be handled according to the Procedure: Unlawful Harassment and Discrimination of Students. e. Suppose the grievable incident is closely related to an incident being processed through the harassment/discrimination or disciplinary procedures. In that case, the proceedings under the Unlawful Harassment and Discrimination of Student procedure will take precedence, then the disciplinary procedure and the student's grievance will be addressed. The grievance will not be processed until after the other procedures have run their course. f. The VPSA, or the Technical College president's designee, shall be granted an additional fifteen business days to investigate the grievance upon notice to the grieving student. 4. Appeal: The student may appeal the decision from the VPSA or the Technical College president's designee to the Technical College president. Only the student has the right to appeal. a. A student shall file a written appeal to the Technical College president within five business days of receiving the response referenced in 3.c. above. b. The appeal will be decided based entirely on documents provided by the student and the administration, therefore the student must ensure that they have provided all relevant documents with their appeal. c. At the sole discretion of the Technical College president, grievance appeals at their institution may be held in one of the following two ways: i. The Technical College president may review the information provided by the student and administration and make the final decision; or ii. The Technical College president may appoint a cross-functional committee to make the final decision. iii. The decision of either the technical college president or the cross-functional committee shall be made within ten business days of receipt of the appeal. d. Whichever process is chosen by the technical college president, the decision of the grievance appeal is final. 5. Retaliation against a student for filing a grievance is strictly prohibited. Record Retention Documents relating to formal grievances including investigations, dispositions and the grievance itself shall be held for five years after the student's graduation or the date of the student's last attendance.

		Written Student Grievances/Complaints TCSG Procedure 6.5.3p. Purpose It is the policy of the Technical College System of Georgia to maintain a grievance process available to all students that provides an open and meaningful forum for their grievances, the resolution of these grievances, and is subject to clear guidelines. This procedure does not address grievances related to unlawful harassment, discrimination, and/or retaliation for reporting harassment/discrimination against students. Those complaints are handled by the Unlawful Harassment and Discrimination of Students Procedure. Related Authority O.C.G.A. § 20-4-11 – Powers of the Board O.C.G.A. § 20-4-14 – TCSG Established: Powers and Duties TCSG Procedure 6.1.1p. – Unlawful Harassment and Discrimination of Students Applicability All technical colleges are associated with the Technical College System of Georgia. Definitions: 1. Grievable issues: Issues arising from applying a policy/procedure to the student's specific case are always grievable. Specifically grievable are issues related to student advisement, improper disclosure of grades, unfair testing procedures, and poor treatment of students; this is a representative list and is not meant to be exhaustive. 2. Non-Grievable issues: Issues with a separate process for resolution (i.e. disciplinary sanctions, FERPA, financial aid, academic grades, discrimination, harassment, etc.) are not grievable and a student must take advantage of the process in place. 3. Business Days: Weekdays when the college administrative offices are open. 4. Vice President for Student Affairs (VPSA): The staff member in charge of the student services division at the college. 5. Retaliation: Unfavorable action taken, a condition created, or other action taken by a student/employee for intimidation directed toward a student because the student initiated a grievance or participated in an investigation of a grievance. 6. Grievant: the student who is making the complaint. Attachments N/A Procedure 1. For all timelines established herein, if a student will need additional time, an extension may be granted at the Vice President for Student Affairs' discretion. 2. Informal Grievance Procedure: Students with grievable issues should resolve those issues, if possible, on an informal basis without the filing of a formal grievance. a. A student has ten business days from the date of the incident being grievable to resolve the matter informally by approaching their instructor, department chair, or any other staff or faculty member directly involved in the grievable incident. b. Where this process does not resolve the grievable issue, the student may proceed to the formal grievance procedure below. 3. Formal Grievance Procedure: If students cannot resolve their grievance informally, they may use this formal grievance procedure. a. Within fifteen business days of the incident being grievable, the student must file a formal grievance (written or typed) in the office of the Vice President for Student Affairs (VPSA) or the Technical College president's designee with the following information: i. Name ii. Date iii. Brief description of an incident being grievable iv. Remedy requested v. Signed vi. Informal remedy attempted by student and outcome b. If the grievance is against the VPSA, the student shall file the grievance with the Technical College president. c. The VPSA, or the Technical College president's designee, will investigate the matter and supply a written response to the student within fifteen business days. d. Suppose the grievable incident involves possible unlawful harassment, discrimination, or retaliation for reporting unlawful harassment/discrimination. In that case, the investigation will be handled according to the Procedure: Unlawful Harassment and Discrimination of Students. e. Suppose the grievable incident is closely related to an incident being processed through the harassment/discrimination or disciplinary procedures. In that case, the proceedings under the Unlawful Harassment and Discrimination of Student procedure will take precedence, then the disciplinary procedure and the student's grievance will be addressed. The grievance will not be processed until after the other procedures have run their course. f. The VPSA, or the Technical College president's designee, shall be granted an additional fifteen business days to investigate the grievance upon notice to the grieving student. 4. Appeal: The student may appeal the decision from the VPSA or the Technical College president's designee to the Technical College president. Only the student has the right to appeal. a. A student shall file a written appeal to the Technical College president within five business days of receiving the response referenced in 3.c. above. b. The appeal will be decided based entirely on documents provided by the student and the administration, therefore the student must ensure that they have provided all relevant documents with their appeal. c. At the sole discretion of the Technical College president, grievance appeals at their institution may be held in one of the following two ways: i. The Technical College president may review the information provided by the student and administration and make the final decision; or ii. The Technical College president may appoint a cross-functional committee to make the final decision. iii. The decision of either the technical college president or the cross-functional committee shall be made within ten business days of receipt of the appeal. d. Whichever process is chosen by the technical college president, the decision of the grievance appeal is final. 5. Retaliation against a student for filing a grievance is strictly prohibited. Record Retention Documents relating to formal grievances including investigations, dispositions and the grievance itself shall be held for five years after the student's graduation or the date of the student's last attendance. External Complaint Procedure 1. Distance learning students enrolled in Ogeechee Technical College with a grievance remaining unresolved after exhausting the College's internal complaint procedure may also file a complaint with the appropriate SARA portal agency. a. Georgia SARA Student Complaint Rules b. SARA Student Complaint Policy and Procedure c. GA-SARA Online Student Complaint Form (non-Georgia residents only) • Submit a completed application and application fee; • Be at least 18 years of age; • A Class A CDL learner's permit is required prior to enrolling in the program; • Must hold current valid driver's license from state of residence; • Must have a satisfactory 7 year Motor Vehicle Report (MVR). The MVR cannot have more than 8 points or 4 moving violations and no DUI in the last 7 years. The MVR must be dated within 30 days of the program start date. • Meet the following assessment requirements: <table> <tr> <th>Test</th><th>Reading</th><th>Writing</th><th>Numerical</th><th>Algebra</th></tr> <tr> <td>Accuplacer</td><td>36</td><td>30</td><td>23</td><td>NA</td></tr> <tr> <td>Accuplacer (Next Gen)</td><td>218</td><td>222</td><td>223</td><td>NA</td></tr> <tr> <td>Compass</td><td>70</td><td>32</td><td>26</td><td>NA</td></tr> <tr> <td>SAT</td><td>16</td><td>15</td><td>18</td><td>NA</td></tr> <tr> <td>SAT</td><td>270</td><td>280</td><td>310</td><td>NA</td></tr> <tr> <td>ACT</td><td>14</td><td>13</td><td>14</td><td>NA</td></tr> <tr> <td>ASSET</td><td>37</td><td>38</td><td>32</td><td>NA</td></tr> <tr> <td>PSAT</td><td>16</td><td>15</td><td>18</td><td>NA</td></tr> <tr> <td>GED</td><td>NA</td><td>145</td><td>145</td><td>NA</td></tr> <tr> <td>TABE</td><td>461</td><td>NA</td><td>442</td><td>NA</td></tr> </table>	Test	Reading	Writing	Numerical	Algebra	Accuplacer	36	30	23	NA	Accuplacer (Next Gen)	218	222	223	NA	Compass	70	32	26	NA	SAT	16	15	18	NA	SAT	270	280	310	NA	ACT	14	13	14	NA	ASSET	37	38	32	NA	PSAT	16	15	18	NA	GED	NA	145	145	NA	TABE	461	NA	442	NA	8/6/2026 ogeechwe@10031947

Current/Catalog/ Programs-of-Study/ Funeral-Service-Education/Funeral-Service-Education-Associate-of-Applied-Science-FS23/Aims-and-Objectives	Content	The Funeral Service Education program at Ogeechee Technical College has as its central aim the recognition of funeral service personnel as members of a human services profession; members of the community in which they serve; participants in the relationship between bereaved families and those engaged in the funeral service profession; professionals knowledgeable of and compliant with federal, state, provincial/territorial, and local regulatory guidelines in the geographic area where they practice, as well as professionals sensitive to the responsibility for public health, safety, and welfare in caring for human remains. The Funeral Service Education program also has the following objectives: to enlarge the background and knowledge of students about the funeral service profession; to educate students in every phase of funeral service and to help enable them to develop proficiency and skills necessary for the profession; to educate students concerning the responsibilities of the funeral service profession to the community at large; to emphasize high standards of ethical conduct; to provide a curriculum at the post-secondary level of instruction; and to encourage student and faculty research in the field of funeral service.	Upon completion of the Funeral Service Education program at Ogeechee Technical College, students will be able to: • Explain the importance of funeral service professionals in developing relationships with the families and communities they serve. • Identify standards of ethical conduct in funeral service practice. • Interpret how federal, state, and local laws apply to funeral service in order to ensure compliance. • Apply principles of public health and safety in the handling and preparation of human remains. • Demonstrate technical skills in embalming and restorative art that are necessary for the preparation and handling of human remains. • Demonstrate skills required for conducting arrangement conferences, visitations, services, and ceremonies. • Describe the requirements and procedures for burial, cremation, and other accepted forms of final disposition of human remains. • Describe methods to address the grief-related needs of the bereaved. • Explain management skills associated with operating a funeral establishment. • Demonstrate verbal and written communication skills and research skills needed for funeral service practice.	3/31/2026	ogeechee@10031947

/current/Catalog/ Programs-of-Study/ Nursing/Nursing- Associate-of-Science- NURS/Admissions- Criteria	Content	Admissions Requirements for the College: • Submit a completed application and application fee; • Be at least 16 years of age; • Submit official high school transcript or GED transcript; • Submit official college transcripts, if applicable; • Associate of Science in Nursing is a competitive admissions program. Please refer to the Competitive Admission Programs page for more information. • Meet the following assessment requirements: <table><tr><th>Test</th><th>Reading</th><th>Writing</th><th>Numerical</th><th>Algebra</th></tr><tr><td>Accuplacer</td><td>64</td><td>70</td><td>NA</td><td>57</td></tr><tr><td>Accuplacer (Next Gen)</td><td>236</td><td>249</td><td>NA</td><td>245</td></tr><tr><td>Compass</td><td>79</td><td>62</td><td>NA</td><td>37</td></tr><tr><td>SAT</td><td>17</td><td>17</td><td>NA</td><td>21</td></tr><tr><td>SAT</td><td>290</td><td>290</td><td>NA</td><td>380</td></tr><tr><td>ACT</td><td>16</td><td>14</td><td>NA</td><td>17</td></tr><tr><td>ASSET</td><td>42</td><td>41</td><td>39</td><td>42</td></tr><tr><td>PSAT</td><td>17</td><td>17</td><td>NA</td><td>21</td></tr><tr><td>GED</td><td>NA</td><td>145</td><td>NA</td><td>145</td></tr></table> Admissions Requirements for the Program Courses (RN50): • Must submit a Letter of Interest electronically prior to admission deadline • Must attend an Associate of Science in Nursing Competitive Admissions Workshop • Must be 18 years of age prior to the first day of the program classes. • Must have taken the HESI aptitude exam at Ogeechee Technical College within the last 5 years and achieved a cumulative score of 75% or higher: ◦ A student will be allowed six (6) testing attempts on the HESI. The exams are given several times each semester and attempts can be scheduled 30 calendar days apart. ◦ HESI scores from other schools will not be accepted. • Must complete required courses with a cumulative grade point average (GPA) of at least a 2.5. Coursework older than 5 years included in the GPA calculation. However, a student will not be able to choose specific coursework to include and exclude if a waiver is submitted.) ◦ Students must complete all required courses with a "C" or better. • ENGL 1101 • PSYC 1101 • MATH 1111 • One of the following Humanities/Fine Arts courses: • ARTS 1101 • ENGL 2110 • ENGL 2130 • HUMN 1101 • MUSC 1101 • BIOL 2113 & BIOL 2113L • BIOL 2114 & BIOL 2114L • BIOL 2117 & BIOL 2117L ◦ Transfer credits will be used in GPA calculation Selection Process: A specific number of admission slots is allotted for each competitive admission program, based on the availability of clinical sites and faculty. Students will be selected for available slots using the following criteria: • A total score is calculated based on HESI scores, GPA for required prerequisite coursework, and whether or not the applicant has an active and unencumbered LPN license. Students are selected based on total score ranking. ◦ The GPA for prerequisite courses only will be weighted at 40/100 of the total score. ◦ The HESI exam score will be weighted at 55/100 of the total score. • Applicants with an active and unencumbered LPN license will be awarded 5/100. • If a tie exists, the highest score on the HESI exam will determine ranking. • If a tie continues to exist, the highest GPA on prerequisite coursework will determine ranking. /current/Catalog/ Programs-of-Study/ Paramedic- Technology/ Paramedic- Diploma-PT12	Content	The Paramedicine diploma program prepares students to provide advanced emergency medical care for critical and emergent patients who access the emergency medical system. This individual possesses the complex knowledge and skills necessary to provide patient care and transportation. Paramedics function as part of a comprehensive EMS response, under medical oversight. Paramedics perform interventions with the basic and advanced equipment typically found on an ambulance. The Paramedic is a link from the scene into the health care system. The Paramedicine diploma program prepares students for employment in paramedic positions in today's health services field. The Paramedic diploma program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. The program provides opportunities to upgrade present knowledge and skills from the EMT/EMT4 1985/AEMT levels to a paramedic level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians (NREMT) Paramedic certification examination and apply for Georgia licensure with the State Office of Emergency Medical Service and Trauma (SOEMST) as a paramedic.	The Paramedicine diploma program prepares students for a dynamic and advanced role within the Emergency Medical Services (EMS) profession. This program will provide students with the complex knowledge and skills necessary to provide patient care and transportation, and function as a part of a comprehensive EMS response, under medical oversight as a Paramedic. This program combines rigorous academic coursework with extensive hands-on training to develop the clinical, technical, and decision-making skills necessary for effective emergency response. Students will learn to assess patients, administer medications, perform advanced airway management and use life-saving equipment under the guidance of experienced instructors and medical professionals.	4/8/2026	ogeechee@10138643

/current/Catalog/ Programs-of-Study/ Radiologic- Technology/ Radiologic- Technology- Associate-of-Applied- Science-RT23/ Admissions-Criteria	Content	- Submit a completed application and application fee; - Be at least 18 years of age; - Submit official high school transcript or GED transcript; - Submit official college transcripts, if applicable; - Radiologic Technology is a competitive admissions program. Please refer to the Competitive Admission Programs page for more information. - Meet the following assessment requirements: <table><tr><th>Test</th><th>Reading</th><th>Writing</th><th>Numerical</th><th>Algebra</th></tr><tr><td>Accuplacer</td><td>64</td><td>70</td><td>NA</td><td>57</td></tr><tr><td>Accuplacer (Next Gen)</td><td>236</td><td>249</td><td>NA</td><td>245</td></tr><tr><td>Compass</td><td>79</td><td>62</td><td>NA</td><td>37</td></tr><tr><td>SAT</td><td>17</td><td>17</td><td>NA</td><td>21</td></tr><tr><td>SAT</td><td>290</td><td>290</td><td>NA</td><td>380</td></tr><tr><td>ACT</td><td>16</td><td>14</td><td>NA</td><td>17</td></tr><tr><td>ASSET</td><td>42</td><td>41</td><td>39</td><td>42</td></tr><tr><td>PSAT</td><td>17</td><td>17</td><td>NA</td><td>21</td></tr><tr><td>GED</td><td>NA</td><td>145</td><td>NA</td><td>145</td></tr></table> Additional Notes The number of students accepted into the Radiologic Technology program is based on the standards set by the Joint Review Committee on Education in Radiologic Technology (JRCERT), which are based on the availability of the program's clinical education settings. If an applicant is not accepted into the program and wishes to try again, he/she must submit another Letter of Interest to the Director of Admissions and meet all admission criteria with the exception of payment of the application fee. Readmission Requirements A student who left the College in good standing may apply for readmission as early as the next academic term. Students who have been suspended because of unsatisfactory academic progress may be readmitted after one term of absence from the College. A student suspended for disciplinary reasons may be considered for readmission at the end of the suspension by making an appointment with the Vice President for Student Affairs. Readmission to a program will be granted on a space-available basis within the appropriate course sequence. Students seeking readmission must be readmitted to the program within 12 months of the last successfully completed semester and will be required to complete the curriculum requirements in place at the time of re-enrollment. Readmission to Competitive Admission Programs A student who voluntarily leaves or is dropped from a competitive admission program due to academic reasons, attendance, or having received a grade less than "C" in any program course will be limited to a one-time re-entry into the program. A student seeking readmission to a competitive admission program must understand that readmission is granted on a competitive and space available basis, based on the program's admission criteria, accreditation agency requirements, and clinical capacity. The student must meet current program admission requirements at the time of the readmission request. A student who voluntarily leaves or is dismissed from a competitive admission program during the first semester of program classes must re-enter the competitive admissions process in order to be re-admitted. A student who successfully completed at least one term of program classes must follow the steps below to request re-admission to the program: - Submit a letter requesting readmission to the Director for Admissions. - Upon approval from the Director for Admissions and confirmation that there is space available in the class, the student must demonstrate retention of materials/information taught in the last successfully completed semester. - The student will take a written examination covering materials taught in previously taken coursework. The student must make a grade of 75 or better. - The student will take skills tests covering competencies in the procedures learned in previously taken coursework. The student must make an 85 or better on the skills test. The number of skills tests will be determined by each Program Director. Beginning Spring 2018, RADT 1010 will not be waived if this course is five years old or older. Students must retake RADT 1010 if more than 5 years old. /current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1600	Course Description	This course is designed to facilitate the foundational concept of nursing and the roles of the nurse, as well as the profession related to client care concepts across the lifespan. Emphasis is placed on the knowledge and skills needed to provide safe, quality care. The theoretical foundation for basic assessment and nursing skills is presented, and the student is then given the opportunity to demonstrate these skills in the laboratory and clinical settings. An introduction to the nursing process provides a decision-making framework to assist students in developing effective clinical judgment skills. The role of the nurse as a provider will include but not limited to the following concepts: client-centered care; teamwork and collaboration; evidence-based practice; quality improvement; safety; informatics; professionalism; and leadership. The clinical experience will introduce the student to the application of these theoretical concepts and implementation of safe client care to adults in a variety of healthcare settings. The course also includes the consideration of nutritional, developmental, cultural and spiritual needs of the client. /current/Catalog/Courses/RNSG-Nursing/1000/RNSG-1605	Course Description	Study of clients with sensory, neurological, immunological, oncology, and hematological systems. Other content includes chronic health conditions, trauma, disability, palliative care, community health, and bioterrorism. The major focus of this course is on utilization of the nursing process to care for clients experiencing these health alterations. Clinical activities build on prior healthcare experience. The clinical experience will include preceptorship experience and hours. In this capstone course, students will be challenged to synthesize and incorporate knowledge of the nursing profession, and the roles and responsibilities related to associate degree nursing care into practice. The student is expected to apply knowledge accumulated throughout the associate degree nursing program in the care of diverse groups of clients in the practice setting. Information gained from a historical perspective along with current trends and issues in nursing will be incorporated throughout the course. Emphasis will be placed on assisting the student to make the transition from student to graduate nurse through virtual and actual hospital, preceptorship experiences, and leadership opportunities. /current/Catalog/Courses/RNSG-Nursing/1000/RNSG-1610	Course Description	This course expands on previous nursing knowledge providing an opportunity for synthesis of essential nursing concepts as well as preparation for NCLEX-RN success. The student will demonstrate a synthesis of the program objectives and prior learning with faculty-assisted guided review, practice, and remediation. The course will align with the NCSEN 2023 test plan. The NCLEX-RN Comprehensive Review focuses on a review of the associate degree nursing curriculum. This course is to provide a comprehensive review of the essential content areas tested on the National Council Licensing Examination for Registered Nurses (NCLEX-RN). Review of these essential content areas and nursing concepts will enhance the potential for students to demonstrate success on the NCLEX-RN. /current/Catalog/Notification	Content	This catalog does not constitute a contract between Ogeechee Technical College and its students, applicants for admission, or any other person. Ogeechee Technical College reserves the right to change, without notice, any statement in the Catalog. Information on changes is available in the Institutional Effectiveness Office. This Catalog and Student Handbook is effective Fall Semester 20242025.	10/23/2025	ogeechee@101019015																																							
/current/Catalog/Equal-Opportunity-Statement-of-Compliance	Content	TheEqual opportunity and decisions based on merit are fundamental values of the Technical College System of Georgia and (TCSG). isThe constituentTCSG Technical State College Board prohibits do not discriminatediscrimination on the basis of eachan individual's age, color, based on religion, national or ethnic origin, sex (including pregnancy, sexual orientation, and gender identity),disability, age, political affiliation or belief, genetic information, veterannational origin, race, religion, sex, or militaryveteran status ("protected status"). No individual shall be excluded from participation in, denied the benefits of, or otherwise subjected to unlawful discrimination, harassment, or retaliation under, any TCSG program or activity because of the individual's protected status; nor shall any individual be given preferential treatment because of the individual's protected status, mailexexcept the preferential treatment may be given on the basis of veteran status; when appropriate under federal or citizenship status (except in those special circumstances permitted or mandated by state law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government including any Workforce Innovation and Opportunity Act (WIOA) Title I-financed programs, educational programs, and activities, including admissions, scholarships and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services. The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity. The following individuals have been designated to handle inquiries regarding the nondiscrimination policies: For Title IX: Christy Rikard, Vice President for Student Affairs Ogeechee Technical College One Joseph E. Kennedy Blvd. Office 198C, JEK Building Statesboro, GA 30458 Phone 912.486.7607 rlr@ogeecheetech.edu For ADA/Section 504: Sabrina Burns, Accessibility and Assessment Coordinator Ogeechee Technical College One Joseph E. /current/Catalog/General-Information/Library	Content	The purpose of the Ogeechee Technical College Library Services is to provide a variety of services and resources which support the academic goals and objectives of instruction and which enrich the overall educational experience for students, faculty, and other library patrons. The Library is located in Room 348 of the Joseph E. Kennedy Building. Library resources include the online catalog, databases within GALILEO, and LibGuides for program resources. GALILEO (Georgia Library Learning On-Line) provides databases for projects and papers. GALILEO provides full-text periodical articles in over 100 databases. Some favorite databases include: Auto Repair Source, Computer Science Database, Credo Reference, Ebook Central, and MedLine Plus. The Library's collection includes over 5,000 books, print subscriptions to over 40 different titles and our local newspaper. Library services and resources include computer workstations with Microsoft Office software, printers, and wireless access. The library website may be accessed at www.ogeecheetech.edu/library. Hours of operation for Students, Faculty, and Staff are Monday-Thursday from 8:00 a.m. until 7:00 p.m.	4/1/2026	ogeechee@101138643
/current/Catalog/Financial-Aid/Verification	Content	Verification Ogeechee Technical College verifies all applicants that are selected by the Federal Central Processing System (CPS). OTC also utilizes the authority granted by the Department of Education to select certain students for verification that may have not been selected by CPS. Verification groups are detailed below. Who Will Be Verified 1. All students selected by CPS with a verification flag set to 1, 4, and 5 on the ISIR. Ogeechee Technical College follows all current federal verification regulations for the applicable award year. Tracking Groups "V1" (Standard), "V4" (Identity), and "V5" (Aggregate Verification Group) remain in place. 2. Students that have incorrect or missing information on the FAFSA. 3. All students that have C-Flags assigned on the ISIR. 4. Students selected by OTC: a. Students under the age of 24 and not married that indicate they have children they support or legal dependents. These students will automatically have an Independent Student Household Members Verification Worksheet and an Independent Student Tax and Income Verification Worksheet added to their account. If these documents do not confirm that the student can provide at least 50% of the dependents' support, the student will be asked for additional documentation or	5/13/2026	ogeechee@10119015

/current/Catalog/Fees-and-Expenses/Payment-Methods	Content	Student bills are emailed weekly to those with outstanding balances beginning approximately 4 weeks prior to the payment deadline. Students may use a variety of methods to pay their tuition and fees. Online Payment Information Payments by check, credit card, or debit card may be made online through your Banner WebMyOTC account by selecting the Pay by Check or Credit Card option under the Business Office menu. You will need your BannerMyOTC Weblogin PIN information to log-in and make payment through this account. NetNet Payment Plan Through our partnership with NetNet Business Solutions, Ogeechee Technical College is able to offer our students a way to pay tuition and fees in monthly installments. Many students find the plan helps make college more affordable by paying their tuition and fees over the course of the semester. There is no interest, payment options are flexible, enrollment fees are affordable, and it is easy to enroll! This is not a loan program and there is no credit check. Enrollment in the plan is easy and available online. All you need to enroll is your student ID, email address, and tuition balance. The plan has a nonrefundable enrollment fee, and payments to NetNet are set up by either automatic bank payment (ACH) or credit or debit card (an additional fee may be assessed). <i>Please note that VISA is not accepted at this time. Click here for more information.</i> Follow the simple steps below to enroll in the Payment Plan: 1. Log into Banner Self-Service 2. Click on "Business Office" 3. Select "Pay By Check, Credit Card, or NetNet" 4. Select the term for payment plan enrollment 5. Select "Pay By Payment Plan with NetNet" Cash/Check/Credit Card Payments may be made by cash, check, credit card, or debit card at the Business Office located on the main campus at One Joseph E. Kennedy Blvd, Statesboro. Check payments may be mailed to: Ogeechee Technical College Business Office - Kennedy Annex Building One Joseph E. Kennedy Blvd. Statesboro, GA 30458 <i>Note: Please be sure to include the student's ID# in the memo portion of the check.</i>	3/18/2026	ogeechee@10119015																												
/current/Catalog/Student-Affairs/Counseling-Resources	Content	The Student Success Coach is able to help students identify interests, examine various majors, and consider basic values and priorities which contribute to success in planning educational goals. The goal is to use all available resources to assist students in making positive adjustments in their academic and personal lives. Guidance and Counseling TEAMS Faculty Alert is an early warning referral system through which an instructor can refer a student for academic or personal assistance. It provides a team approach to problem solving with the instructor, the student, and the Success Coach interacting. Through TEAMS Faculty Alert, assistance may be offered in areas such as study habits, attendance, organizational skills, and stress management, among other topics. Individual/group sessions or workshops are presented each semester on topics such as time management, study skills, financial planning, stress management, overcoming test anxiety, career decision-making, relationship issues, and self-esteem. Programs on special topics are provided at the request of instructors or student groups. Students may contact Ogeechee Technical College's Student Success Coach at 912.486.7811. Services Available: - Academic Counseling is available for those who need assistance, general information about programs including admission requirements, and academic planning. - Student Success Coach can provide resources for counseling in the community.	4/1/2026	ogeechee@1003194																												
/current/Catalog/Policies-and-Procedures/Model-Student-Conduct-Codes-Student-Rights-and-Responsibilities	Content	TCSG Procedure 6.7.2p2. Purpose Academic institutions exist the policy of the Technical College System of Georgia (TCSG) to provide technical, adult education, and TCSG high school programs for the benefit benefit of people of Georgia. TCSG's Technical Colleges must provide intellectual, emotional, social, and physical growth opportunities. Technical College students assume an obligation to act in a manner compatible with fulfilling the mission. The Technical College community recognizes its responsibility to provide an atmosphere conducive to growth. TCSG establishes this Student Code of Conduct with these principles in mind, to which all students are held subject. Generally, Technical College jurisdiction and discipline shall be limited to conduct which occurs on Technical College premises, off-campus classes, activities or functions sponsored by the Technical College, an examination or any other written or oral work submitted for evaluation and/or a grade, or which otherwise adversely affects members of the Technical College community and/or the pursuit of such such, the development Technical of students, and the well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of this academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for knowledge. Freedom to teach and freedom to learn are inseparable facets of academic conditions in the classroom, campus, other college sites, and community. Students are expected to exercise their freedom with responsibility. As members of the academic community, students are subject to the obligations which	3/11/2026	ogeechee@10119015																												

accrue to them under this membership. As members of the larger community of which the college is a part, students are entitled to all rights and protection accorded by community laws. Nothing in this Code of Conduct shall be interpreted to interfere with any person's right to free speech as provided by the First Amendment to the Constitution of the United States of America.

Students are also subject to all laws, the enforcement of which is the responsibility of duly-constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instances, college discipline will be initiated if the student's presence on campus is considered a threat to persons or property or if that person's presence may disrupt the educational process of the college. However, when a student's violation of the law also adversely affects the college's recognized educational objectives or violates its Student Code of Conduct, the college will enforce its regulations. When students violate college regulations, they are subject to disciplinary action by the college whether or not their conduct violates the law.

It is the policy of the Technical College System of Georgia (TCSG) to provide technical and adult education programs for the people of Georgia. TCSG's Technical Colleges must provide intellectual, emotional, social, and physical growth opportunities. Technical College students assume an obligation to act in a manner compatible with fulfilling the mission. The Technical College community recognizes its responsibility to provide an atmosphere conducive to growth. TCSG establishes this Student Code of Conduct with these principles in mind.

Generally, Technical College jurisdiction and discipline shall be limited to conduct which occurs on Technical College premises, off-campus classes, activities or functions sponsored by the Technical College, an examination or any other written or oral work submitted for evaluation and/or a grade, or which otherwise adversely affects members of the Technical College community and/or the pursuit of the Technical College's objectives.

TCSG Procedure: 6.7.2p1. Student Discipline

TCSG Procedure: 6.1.1p. Unlawful Harassment and Discrimination of Students

Applicability

All Technical Colleges are associated with the Technical College System of Georgia.

Definitions

1. **Faculty Member:** any person hired, employed or credentialed by a TCSG technical college to conduct teaching, service, or research activities.
2. **Hearing Body:** as defined in the Student Disciplinary Procedure.
3. **Member of the Technical College Community:** any person who is a student, faculty member, contractor, Technical College official, or any other person/s involved with the Technical College, involved in the community, or employed by the Technical College.
4. **Policy:** the written regulations of the Technical College as found in, but not limited to, the Student Code of Conduct, Student Handbook(s), Residence Hall Handbook(s), Technical College Catalog(s), the Technical College Policy Manual, and the Policy Manual approved by the State Board for the Technical College System of Georgia.
5. **Student:** all persons taking courses at the Technical College, including full-time, part-time, dual enrollment, joint enrollment, non-credit, and credit. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the technical college are also considered "students."
6. **Organization:** Any official or unofficial college group a student is connected with an initiation into, an affiliation with, or the maintenance of membership in (e.g., a club, athletic team, fraternity, or sorority).
7. **System:** the Technical College System of Georgia or TCSG.
8. **Technical College Official:** any person employed by the Technical College performing assigned responsibilities on a part-time, full-time, or adjunct basis.
9. **Premises:** all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the Technical College (including adjacent streets and sidewalks).
10. **Hazing:** any intentional, knowing or reckless act committed by a person (whether individually or in concert with other persons) against another person or persons regardless of the willingness of such other person or persons to participate, that (1) is committed in the course of an initiation into, an affiliation with, or the maintenance of membership in, a student organization; and (2) causes or creates a risk, above the reasonable risk encountered in the course of participation in the College or the organization (such as the physical preparation necessary for participation in an athletic team) of physical or psychological injury including:
 - a) whipping, beating, striking, electronic shocking, placing of a harmful substance on someone's body or similar activities;
 - b) causing, coercing or otherwise inducing sleep deprivation, exposure to the elements, confinement in a small space, extreme calisthenics or other similar activity;
 - c) causing, coercing or otherwise inducing another person to consume food, liquid, alcohol, drugs or other substances;
 - d) causing, coercing or otherwise inducing another person to perform sexual acts;
 - e) any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct;
 - f) any activity against another person that includes a criminal violation of local, State, Tribal or Federal law; and
 - g) any activity that induces, causes or requires another person to perform a duty or task that involves a criminal violation of local, State, Tribal or Federal law.

Procedure

Any student found to have committed any of the following types of misconduct is subject to the disciplinary sanctions outlined in the Student Disciplinary Policy and Procedure.

Academic

1. Academic Misconduct

- a. includes, but is not limited to, the following:
 - i. **Aiding and Abetting Academic Misconduct:** knowingly helping, procuring, encouraging, or assisting another person to engage in academic misconduct.
 - ii. **Cheating:**
 - I. Use and/or possession of unauthorized material or technology during an examination or any other written or oral work submitted for evaluation and/or a grade, such as tape cassettes, notes, tests, calculators, computer programs, cell phones and/or smartphones, or other electronic devices.
 - ii. Obtaining assistance with or answers to an examination or any other written or oral work submitted for evaluation and/or a grade from another person with or without that person's knowledge.
 - iii. Furnishing assistance with or answers to an examination or any other written or oral work submitted for evaluation and/or a grade to another person.
 - iv. Those possessing, using, distributing, or selling unauthorized copies of an examination, computer program, or any other written or oral work submitted for evaluation and/or a grade.
 - v. Representing as one's own an examination or any other written or oral work submitted for evaluation and/or a grade created by another person.
 - vi. Taking an examination or any other written or oral work submitted for evaluation and/or a grade in place of another person.
 - vii. Obtaining unauthorized access to the computer files of another person or agency and/or altering or destroying those files.
 - viii. Obtaining teacher edition textbooks, test banks, or other instructional materials only intended to be accessed by Technical College officials, college administrators, or faculty members.
 - iii. **Fabrication**
 - I. The falsification of any information or citation in an examination or other written or oral work submitted for evaluation and/or a grade.
 - iv. **Plagiarism**
 - I. Submitting another's published or unpublished work in whole, in part, or paraphrased, as one's own without entirely and correctly crediting the author with footnotes, quotation marks, citations, or bibliographical reference.
 - ii. Submitting as one's original work material obtained from an individual or agency without reference to the person or agency as the source of the material.
 - iii. Submitting as one's original work material that has been produced through unacknowledged collaboration with others without release in writing from collaborators.

2. Non-Academic Misconduct

- a. includes, but is not limited to, the following:
 - i. **Behavior**
 - i. **Indecent Conduct:** lewd, inappropriate, or indecent conduct; or distribution of obscene or libelous written or electronic material.
 - ii. **Violence:** physical abuse of any person (including dating violence, domestic violence, or sexual violence) on Technical College premises or at Technical College-sponsored or Technical College-supervised functions, including physical actions which threaten or endanger the health or safety of any such persons. This includes fighting and/or other disruptive behavior, which includes any action or threat of violence which endangers the peace, safety, or orderly function of the Technical College, its facilities, or persons engaged in the business of the Technical College. Note: certain physical abuse may also be considered unlawful harassment.
 - iii. **Harassment:** The Technical College prohibits unlawful conduct based on race, color, creed, national or ethnic origin, sex, religion, disability, age, genetic information, political affiliation or belief, disabled veteran, a veteran of the Vietnam Era, or citizenship status addressed directly to any individual or group that has the purpose or effect of unreasonably and objectively interfering with that individual or group's: (1) performance, (2) work or educational environment, or (3) ability to participate in an educational program or activity. The Technical College also prohibits stalking or other behavior which objectively and unreasonably interferes with another's legal rights or creates an objectively intimidating, hostile, or offensive environment. (This also includes the display of or navigation to pornography and other inappropriate websites and materials and inappropriate behavior on social media and/or networking applications.) Impermissible harassment may include verbal, non-verbal, and/or physical conduct.
 - iv. **Threat/Threaten:** a statement of an intention to inflict pain, injury, damage, or other hostile action on someone in retribution for something done or not done.
 - v. **Disruption:** prohibits activities not otherwise protected by law, including the First Amendment to the Constitution of the United States of America, which intentionally obstructs or interrupts teaching, research, administration, disciplinary proceedings, or other Technical College activities, including public service functions and other duly-authorized activities on Technical College premises or at Technical College-sponsored activity sites.
 - vi. **Failure to Comply:** Failure to comply with lawful directions of Technical College officials and/or failure to identify oneself to these persons when requested.
 - vii. **Bullying:** any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication that takes place on College premises or at any College sponsored function that: (a) places a person in actual and

reasonable fear of harm to their person or damage to their property; or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits; or a College employee's ability to perform the essential functions of their job.

vi. **Hazing:** Any intentional, knowing or reckless act committed by a person (whether individually or in concert with other persons) against another person or persons regardless of the willingness of such other person or persons to participate, that (1) is committed in the course of an initiation into, an affiliation with or the maintenance of membership in, a student organization; and (2) causes or creates a risk, above the reasonable risk encountered in the course of participation in the College or the organization (such as the physical preparation necessary for participation in an athletic team) of physical or psychological injury including:

- whipping, beating, striking, electronic shocking, placing of a harmful substance on someone's body or similar activity;
- causing, coercing, or otherwise inducing sleep deprivation, exposure to the elements, confinement in a small space, extreme calisthenics or other similar activity;
- causing, coercing, or otherwise inducing another person to consume food, liquid, alcohol, drugs or other substances;
- causing, coercing or otherwise inducing another person to perform sexual acts;
- any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct;
- any activity against another person that includes a criminal violation of local, State, Tribal or Federal law; and
- any activity that induces, causes or requires another person to perform a duty or task that involves a criminal violation of local, State, Tribal or Federal law.

ix. **Use of Social Media and Chat Platforms:** Students should obey their social media platform terms of use. Students may not make, or cause to be made, communications (including electronically or through social media) to another person in any manner to harass or cause alarm. Social media may not be used to breach privacy, discriminate, or harass/threaten. Students may not make, transmit, or attempt to transmit audio or video of any person(s) on College property where there is an explicit expectation of privacy. Any posts or tweets deemed inappropriate on Ogeechee Technical College social web site or blog will be deleted immediately and may result in having access to the site blocked permanently.

ii. **Professionalism**

i. **Personal Appearance:** refer to the Ogeechee Technical College Dress Code Policy.

iii. **Use of Technical College Property**

- Theft and Damage:** prohibits theft of, misuse of, or harm to Technical College property, or theft of or damage to property of a member of the Technical College community or a campus visitor on Technical College premises or at a Technical College function.
- Occupation or Seizure:** illegal occupation or seizure in any manner of Technical College property, a Technical College Premises, or any portion thereof for a use inconsistent with prescribed, customary, or authorized use.
- Presence on Technical College Premises:** prohibits unauthorized entry upon Technical College Premises; unauthorized entry into Technical College Premises or a portion thereof which has been restricted in use; unauthorized presence in Technical College Premises after closing hours, or furnishing false information to gain entry upon technical college premises.
- Assembly:** prohibits participation in or conducting an unauthorized gathering that objectively threatens or causes injury to person or property or that interferes with free access to Technical College facilities or that is unprotected by the First Amendment to the Constitution of the United States of America and objectively harmful, obstructive, or disruptive to the educational process or functions of the Technical College.
- Fire Alarms:** prohibits setting off a fire alarm or using or tampering with any fire safety equipment on Technical College Premises or at Technical College-sponsored activity sites, except with reasonable belief in the need for such alarm or equipment. In the event of a fire alarm sounding, students must evacuate the building unless otherwise directed by a Technical College official.
- Obstruction:** prohibits obstruction of the free flow of pedestrian or vehicular traffic on Technical College Premises or at Technical College-sponsored or supervised functions. Refer to Ogeechee Technical College Parking and Traffic Regulations.

iv. **Drugs, Alcohol, and Other Substances**

- Substances referred to under this policy include all illegal drugs, alcoholic beverages, and misused legal drugs (both prescription and over the counter).
- Alcohol:** Students must comply with all state and federal laws regulating alcohol as well as TOSG Policy II.C. Alcohol on Campus. ~~Alcoholic beverages~~ ~~Students may not be served, possess or sell~~ alcohol on campus or at any ~~student college sponsored~~ related function. Students being in a state of intoxication on Technical College Premises or at Technical College-sponsored or supervised functions (including off-campus functions), internships, externships, practicum, clinical sites, cooperative, or academic-sponsored programs or activities, or in a Technical College-owned vehicle is prohibited.
- Controlled Substances, Illegal Drugs, and Drug Paraphernalia:** The Technical College prohibits the possession, use, sale, or distribution of any controlled substance, illegal drugs, or drug paraphernalia except as expressly permitted by law. Any influence which may be attributed to the use of drugs or alcoholic beverages shall not in any way limit the responsibility of the individual for the conduct or consequences of their actions.
- Food:** The technical college prohibits eating and/or drinking in classrooms, shops, labs, or other unauthorized areas on Technical College Premises unless otherwise permitted by Technical College officials.
- Smoking/Tobacco:** The Technical College prohibits smoking or using other forms of electronic, alternative smoking devices, or other forms of tobacco products in classrooms, shops, labs, or other unauthorized areas on Technical College Premises. Refer to the Ogeechee Technical College Tobacco Procedure.

ii. **Use of Technology**

- Damage and Destruction:** Destruction of or harm to equipment, software, or data belonging to the Technical College or others is considered unacceptable usage. This may include altering, downloading, or installing software on Technical College computers, tampering with computer hardware or software configuration, improper access to the Technical College's network, and disconnection of Technical College computers or devices.
- Electronic Devices:** Unless otherwise permitted by Technical College officials, the Technical College prohibits use of electronic devices in classrooms, labs, and other instructional, event, or affiliated facilities on Technical College Premises. Such devices include, but are not limited to, cell phones, ~~laptops, tablet devices,~~ cameras, gaming devices, and other electronic devices, which may cause unnecessary disruption to the teaching/learning process on campus. The Technical College also prohibits attaching personal electronic devices to college computers.
- Harassment:** The Technical College prohibits the use of computer technology to ~~objectively~~ interfere with another individual's legal right to be free from harassment based on that individual's race, color, creed, genetic information, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, disabled veteran, a veteran of the Vietnam Era, or citizenship status.
- Unacceptable Use:** Use of computing facilities to interfere with the work of another student, faculty member or Technical College official. This includes the unauthorized use of another individual's identification and password. Ogeechee Technical College prohibits additional violation of the Department's Acceptable Computer and Internet Use.

iii. **Weapons**

- The Technical College System of Georgia is committed to providing all employees, students, volunteers, visitors, vendors, and contractors a safe and secure workplace and/or academic setting.
- The possession, carrying, or transportation of a firearm, weapon, or explosive compound/material in or on a college building or property shall be governed by Georgia state law.
- All individuals are expected to comply with the related laws. Failure to follow laws about weapons is considered a violation of the Student Code of Conduct.

iv. Relevant Georgia laws to be aware of and compliant with ~~include are but the~~ ~~may responsibility not be limited to student:~~

~~O.C.G.A. § 16-8-12(a)(6)(A)(ii)~~
~~O.C.G.A. § 16-7-50~~
~~O.C.G.A. § 16-7-84~~
~~O.C.G.A. § 16-7-55~~
~~O.C.G.A. § 16-11-124~~
~~O.C.G.A. § 16-11-125.1~~
~~O.C.G.A. § 16-11-126~~
~~O.C.G.A. § 16-11-127~~
~~O.C.G.A. § 16-11-127.1~~
~~O.C.G.A. § 16-11-129~~
~~O.C.G.A. § 16-11-130~~
~~O.C.G.A. § 16-11-133~~
~~O.C.G.A. § 16-11-136~~
~~O.C.G.A. § 16-11-137~~
~~O.C.G.A. § 43-38-10~~

iv. **Gambling**

- The Technical College System of Georgia prohibits violating federal, state, or local gambling laws on Technical College Premises or at Technical College-sponsored or supervised activities.

v. **Parking**

- The Technical College prohibits violating Ogeechee Technical College regulations regarding the operation and parking of motor vehicles on or around Ogeechee Technical College Premises.

vi. **Financial Irresponsibility**

- The Technical College prohibits the theft or misappropriation of any Technical College, student organization, or other assets.

vii. **Violation of Technical College Policy**

- Violation of System or Technical College Policies, rules, or regulations including, but not limited to, rules imposed upon students who enroll in a particular class or program, internships, externships, practicum, clinical sites, cooperative, or any academic-sponsored programs or activities, student organizations, or students who reside in on-campus housing.

viii. **Aiding and Abetting**

- Aiding, abetting, or procuring another person to do an activity which otherwise violates this Code of Conduct is prohibited.

ix. **Falsification of Documentation**

- Disciplinary proceedings may be instituted against a student who falsifies any documentation related to the Technical College either to the Technical College or others in the community, including, but not limited to falsification of Technical College transcripts; transcripts or other documentation from other institutions to obtain credit from or admission to the Technical College; Technical College report cards or other grade reports; documentation related to a student's citizenship status or residency (e.g. Driver's License, Passport, etc.); tests, homework, attendance records, signatures of any Technical College employee in his or her official capacity; signatures of any employee of a clinical or internship site where the student is participating in an educational program associated with the

		Technical College or records related to any clinical, internship, or other academic activity associated with the Technical College. x. Violation of Law i. Suppose a student is convicted or pleads Nolo Contendere to an on-campus or off-campus violation of federal, state, or local law, but not has not been charged with any other violation of the Student Code of Conduct. In that case, disciplinary action may nevertheless be taken, and sanctions imposed if the violation of federal, state, or local law is detrimental to the Technical College's vital interests and stated mission and purpose. ii. Disciplinary proceedings may be instituted against a student charged with a violation of a law that violates the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following criminal proceedings. iii. When a student is charged by federal, state, or local authorities with a violation of law, the Technical College will not request or agree to special consideration for that individual because of their status as a student. The Technical College will cooperate fully with law enforcement and other agencies in enforcing criminal law on campus and the conditions imposed by criminal courts for rehabilitating student violators. Individual students, acting in their capacities, remain free to interact with governmental representatives as they deem appropriate. xi. Abuse of the Student Judicial Process, including but not limited to: i. Failure to obey the notification of the Vice President for Student Affairs or the Technical college president's designee, Hearing Body, Appellate Board, or Technical College Official. ii. Falsification, distortion, or misrepresentation of information in a judicial proceeding. iii. Disruption or interference with the orderly conduct of a disciplinary proceeding. iv. Initiating a disciplinary proceeding knowingly without cause. v. Attempting to discourage an individual's proper participation in, or use of, the disciplinary process. vi. Attempting to influence the impartiality of a member of a Hearing Body or Appellate Board prior to, and/or during, the disciplinary proceeding. vii. Harassment (verbal or physical) and/or intimidation of a member of a Hearing Body or Appellate Board prior to, during, and/or after a disciplinary proceeding. viii. Failure to comply with the Student Code's sanction(s) imposed. Record Retention Documents shall be held for no less than five (35) years after the student's graduation or the date of the student's last attendance.		
/current/Catalog/Policies-and-Procedures/Student-Discipline	Content	TCSG Procedure 6.7.2p1. Purpose The administration reserves the right to maintain a safe and orderly educational environment for students and staff. Therefore, when, in the judgment of Technical College officials, a student's conduct disrupts or threatens to disrupt the Technical College community, appropriate disciplinary action will be taken to restore and protect the atmosphere of collegiality and mutual respect on campus. This procedure is intended to provide an orderly protocol for handling student disciplinary cases following due process and justice principles. Related Authority TCSG Procedure: 6.7.2p2, Model Student Conduct Codes Applicability All Technical Colleges are associated with the Technical College System of Georgia. Definitions Academic Misconduct: includes, but is not limited to, the definition found in the Student Code of Conduct, Article II, Paragraphs 1-4. Business Days: weekdays that the Technical College administrative offices are open. Hearing Body: any person or persons authorized by the president of a Technical College to provide a hearing as provided in this procedure. Member of the Technical College Community: any person who is a student, faculty member, Technical College official, or any other person/s involved with the Technical College community or employed by the Technical College. Policy: the written regulations of the Technical College as found in, but not limited to, the Student Code of Conduct, Student Handbook(s), Residence Hall Handbook(s), Technical College Catalog(s), the Technical College Policy Manual, and the Policy Manual approved by the State Board for the Technical College System of Georgia. Student: all persons taking courses at the Technical College full-time, part-time, dual enrollment, joint enrollment, non-credit, and credit. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the Technical College are considered "students." Student Organization: any persons who have complied with the formal requirements for Technical College recognition. Technical College: any college within the Technical College System of Georgia. Technical College Official/Designee: any person employed by the Technical College performing assigned administrative responsibilities on a part-time, full-time, or adjunct basis. Premises: all land, buildings, facilities, and other property in possession of or owned, used, or controlled by the Technical College (including adjacent streets and sidewalks). Attachments Attachment: 6.7.2p1.a1. Student Code of Conduct Complaint Form Attachment: 6.7.2p1.a2. Disciplinary Sanction Appeal Form Procedure Filing a Complaint - Any person may file a complaint with the Vice President for Student Affairs or the Technical College president's designee against any student for an alleged violation of the Student Code of Conduct. The individual(s) initiating the action should complete a Student Code of Conduct Complaint Form, and provide it to the Vice President for Student Affairs or the Technical College president's designee. - Academic Misconduct may be managed using this procedure or a separate Academic Misconduct Procedure at the discretion of the Technical College president. - Investigation and Decision - Within five business days after the Student Code of Conduct Complaint Form (the "Complaint") is filed, the Vice President for Student Affairs or the Technical College president's designee designee will acknowledge receipt of the complaint and shall complete begin a preliminary investigation of the incident; and schedule a meeting will be scheduled with the Student student against whom the complaint complaint was filed in order to discuss the incident and the allegations. If additional time is necessary, the Student will be notified. After discussing the complaint with the Student, the Vice President for Student Affairs or the Technical College president's designee shall determine whether the Student committed the alleged conduct and whether the alleged conduct constitutes a violation of the Student Code of Conduct. - The Student shall have five business days from the date contacted by the Vice President for Student Affairs or the Technical College president's designee to schedule the meeting. This initial meeting may only be rescheduled one time. Suppose if the Student fails to respond to the Vice President for Student Affairs or the Technical College president's designee within five business days to schedule the meeting, reschedule the meeting more than once, or fails to appear at the meeting. In that case, the Vice President for Student Affairs or the Technical College president's designee will consider the available evidence without student input and decide. Suppose if a Complaint alleges violations of the Student Code of Conduct by more than one Student. In that case, each Student's disciplinary proceeding and any appeals relating to that proceeding shall be conducted individually. Suppose if the Vice President for Student Affairs or the Technical College president's designee determines that the Student has violated the Student Code of Conduct. In that case, they shall impose one or more disciplinary sanctions consistent with those described below. However, suppose if the Vice President for Student Affairs or the Technical College president's designee determines that the alleged conduct did not occur or that the conduct was not a violation of the Student Code of Conduct. In that case, the college shall not impose disciplinary sanctions on the Student and the investigation shall be closed. Disciplinary Sanctions Violation of the Student Code of Conduct - Based on the severity of the incident, the Vice President for Student Affairs may take one of two actions, no referral to the Hearing Body or referral to the Hearing Body. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may impose one or more of the following sanctions without referral to the Hearing Body. The notification shall be sent to the Student and the person(s) who initially filed the complaint. Restitution: A student who has committed an offense against property may be required to reimburse the Technical College or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement. Reprimand: A written reprimand may be given to any student. Such a reprimand does not restrict the Student in any way. However, it signifies to the Student that there is being given another chance to conduct themselves as a proper member of the Technical College community and that any further violation may result in more serious sanctions. Restriction: A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the Technical College, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities. Disciplinary Probation: Continued student enrollment on probation may be conditioned upon adherence to specified terms. Any student placed on probation will be notified of the terms and length of probation in writing. Any conduct determined after due process to violate these terms while on probation may result in the imposition of more serious disciplinary sanctions, as specified by the terms of probation. Failing or Lowered Grade: In cases of Academic Misconduct, the Vice President for Student Affairs or the Technical College president's designee will make a recommendation to the Vice President for Academic Affairs or their designee, who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination. - After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may recommend the imposition of one of the following sanctions if appropriate. The Vice President for Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described in section 2.a.1.1 above, following a hearing. A copy of the written recommendation shall be provided to the Student and the person filing the complaint. Disciplinary Suspension: If a student is suspended, they are separated from the	3/11/2026	ogechee@10119015

		Technical College for a stated period of time. Conditions of reinstatement, if any, must be stated in the notice of suspension. ii. Disciplinary Expulsion: Removal and exclusion from the Technical College, Technical College controlled facilities, programs, events, and activities. The Vice President for Student Affairs or the Technical College president's designee maintains a record of the reason for the student's dismissal. Students dismissed from the Technical College for any reason may write to the Vice President for Student Affairs for reinstatement twelve months following the expulsion. If approval for reinstatement is granted, the Student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice President for Student Affairs or the Technical College president's designee. iii. System-Wide Expulsion: Where a student has been expelled or suspended threetwo times from the same or different colleges in the Technical College System of Georgia in the past seven years, the Student will not be permitted to register at any college in the Technical College System of Georgia for ten years after the most recent expulsion/suspension. Depending on the action that results in expulsion from a college, the student may qualify for system-wide expulsion after the first incident. The General Counsel of TCSG will review the case and determine if system-wide expulsion is appropriate. b. Violation of Federal, State, or Local Law i. Suppose If a student is convicted or pleads nolo contendere to an off-campus violation of federal, state, or local law but not with any other violation of the Student Code of Conduct. In that case, disciplinary action may be taken, and sanctions imposed for misconduct detrimental to the Technical College's vital interests and stated mission and purpose. ii. Disciplinary proceedings may be instituted against a student charged with a violation of a law that violates the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be conducted prior to, simultaneously with, or following criminal proceedings. iii. When a student is charged by federal, state, or local authorities with a violation of law, the Technical College will not request or agree to special consideration for that individual because of their status as a student. The Technical College will cooperate fully with law enforcement and other agencies in enforcing criminal law on campus and the conditions imposed by criminal courts for rehabilitating student violators. Individual students, acting in their capacities, remain free to interact with governmental representatives as they deem appropriate. c. Interim Disciplinary Suspension i. As a general rule, the status of a student accused of violating the Student Code of Conduct should not be altered until a final determination is made regarding the allegations against them. However, an interim suspension may be imposed upon a findingdetermined by the Vice President for Student Affairs or their designee that the continued presence of the accused Student on campus constitutes a potential or immediate threat to the safety and well-being of the accused Student or any other member of the Technical College community or its guests, or that the continued presence of the Student on campus creates a risk of substantial disruption of classroom or other Technical College-related activities. If an interim disciplinary suspension is imposed, the matter must be referred as soon as possible to the Hearing Body. The Student need not request an appeal. d. Conditions of Disciplinary Suspension and Expulsion i. A student who has been suspended or expelled from the Technical College shall be denied all privileges afforded a student and shall be required to vacate Technical College Premises at a time determined by the Vice President for Student Affairs or the Technical College president's designee. ii. In addition, after vacating the Technical College premises, a suspended or expelled Student may not enter upon the Technical College Premises at any time, for any purpose, in the absence of written permission from the Vice President for Student Affairs or the Technical College president's designee. A suspended or expelled student must contact the Vice President for Student Affairs or the Technical College president's designee for permission to enter the Technical College Premises for a limited, specified purpose. iii. If the student seeks to submit a signed Disciplinary Sanction Appeal Form, the Vice President for Student Affairs or the technical college president's designee must accept the form by email, mail, or fax if they refuse the student's request to enter the Technical College (remits for that specified purpose). iv. A scheduled appeal hearing before the Hearing Body shall be understood as expressed permission from the Vice President for Student Affairs or the Technical College president's designee for a student to enter the Technical College premises for the duration of that hearing. 3. Mediation a. At the discretion of the Technical College president, the Technical College may adopt a mediation procedure to be utilized prior to the appeals set forth herein. However, mediation may never be used in cases of alleged sexual misconduct. 4. Hearing/Appeals Procedure a. A student who wishes to appeal a disciplinary decision by the Vice President for Student Affairs or the Technical College president's designee regarding an assigned sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade must file a written notice of appeal through the Technical College president's office for review by the Hearing Body within five business days of notification of the decision. The person filing the initial complaint against the Student must be notified of the hearing date. b. Suppose If the Vice President for Student Affairs or the Technical College president's designee recommended a sanction of disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion. In that case, the matter will be referred to the Hearing Body by the Vice President for Student Affairs. The Student need not file a written notice of his or her desire to appear before the Hearing Body. However, the person filing the initial complaint shall also be notified of the hearing. c. The Student will then have the right to appear in a hearing before a Hearing Body assigned by the Technical College president or their designee within ten business days to present evidence and/or testimony. If the Student has been placed on an interim disciplinary suspension, the hearing must be held as soon as possible, preferably within five days. The Student has the right to be assisted by any single advisor they choose, at their own expense. The Student is responsible for presenting their case; therefore, advisors are not permitted to speak or participate directly in any hearing before a Hearing Body. The Hearing Body may consist of a single person or group from the Technical College community. There shall be a single official record of all hearings before the Hearing Body, such as a tape recording. The official record shall be the property of the Technical College. The standard of proof in all hearings shall be a preponderance of the evidence. The chairperson of the Hearing Body shall notify the Technical College president and the Vice President for Student Affairs in writing of the Hearing Body's decision. The Technical College president or their designee will notify the Student in writing of the Hearing Body's decision. d. Suppose If the Student appeared before the Hearing Body to appeal to the Vice President for Student Affairs or the Technical College president's designee's sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade. In that case, the Hearing Body's decision regarding the appeal is final. A copy of the Hearing Body's written decision will be provided to both the Student and the person who filed the original complaint. e. Suppose If the student appeared before the Hearing Body after the Vice President for Student Affairs or the Technical College president's designee recommended disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the Student should be able to appeal directly to the Technical College president. f. If entitled to an appeal to the Technical College president, the Student shall have five business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. The Student shall ensure that all relevant information is included with this request. In addition, the person who filed the original complaint shall be notified of the Student's appeal. g. The president of the Technical College or his/her designee's review shall be in writing and only consider evidence currently in the record; new facts not brought up in earlier stages of the appeal shall not be considered. The Technical College president or their designee shall deliver the decision to the Student and the person who filed the original complaint within ten business days. The decision of the Technical College president or their designee shall be final and binding. Record Retention The Vice President for Student Affairs or the Technical College president's designee shall retain a copy of all documents concerning complaints, investigations, administrative actions, and communications concerning any incident that resulted in a disciplinary investigation of any kind against a student; records of any disciplinary appeals filed by the affected Student, as well as the resulting record of appeal and decision submitted by the Hearing Body and the Technical College president or their designee; and records of the final decision. All records specified in this section shall be retained for five years.		
/current/Catalog/Policies-and-Procedures/Student-Grievances	Content	Written Student Grievances/Complaints TCSG Procedure 6.5.3p. Purpose It is the policy of the Technical College System of Georgia to maintain a grievance process available to all students that provides an open and meaningful forum for their grievances, the resolution of these grievances, and is subject to clear guidelines. This procedure does not address grievances related to unlawful harassment, discrimination, and/or retaliation for reporting harassment/discrimination against students. Those complaints are handled by the Unlawful Harassment and Discrimination of Students Procedure. Related Authority O.C.G.A. § 20-4-11 – Powers of the Board O.C.G.A. § 20-4-14 – TCSG Established: Powers and Duties TCSG Procedure 6.1.1p. – Unlawful Harassment and Discrimination of Students Applicability All technical colleges are associated with the Technical College System of Georgia. Definitions: 1. Grievable issues: Issues arising from applying a policy/procedure to the student's specific case are always grievable. Specifically grievable are issues related to student advisement, improper disclosure of grades, unfair testing procedures, and poor treatment of students; this is a representative list and is not meant to be exhaustive. 2. Non-Grievable issues: Issues with a separate process for resolution (i.e. disciplinary sanctions, FERPA, financial aid, academic grades, discrimination, harassment, etc.) are not grievable and a student must take advantage of the process in place. 3. Business Days: Weekdays when the college administrative offices are open. 4. Vice President for Student Affairs (VPSA): The staff member in charge of the student services division at the college. 5. Retaliation: Unfavorable action taken, a condition created, or other action taken by a student/ employee for initiation directed toward a student because the student initiated a grievance or participated in an investigation of a grievance. 6. Grievant: the student who is making the complaint. Attachments	1/28/2026	ogechee@10119015

			N/A																																																								
			Procedure 1. For all timelines established herein, if a student will need additional time, an extension may be granted at the Vice President for Student Affairs' discretion. 2. Informal Grievance Procedure: Students with grievable issues should resolve those issues, if possible, on an informal basis without the filing of a formal grievance. a. A student has ten business days from the date of the incident being grieved to resolve the matter informally by approaching their instructor, department chair, or any other staff or faculty member directly involved in the grieved incident. b. Where this process does not resolve the grievable issue, the student may proceed to the formal grievance procedure below. 3. Formal Grievance Procedure: If students cannot resolve their grievance informally, they may use this formal grievance procedure. a. Within fifteen business days of the incident being grieved, the student must file a formal grievance (written or typed) in the office of the Vice President for Student Affairs (VPISA) or the Technical College president's designee with the following information: i. Name ii. Date iii. Brief description of an incident being grieved iv. Remedy requested v. Signed vi. Informal remedy attempted by student and outcome b. If the grievance is against the VPISA, the student shall file the grievance with the Technical College president. c. The VPISA, or the Technical College president's designee, will investigate the matter and supply a written response to the student within fifteen business days. d. Suppose the grieved incident involves possible unlawful harassment, discrimination, or retaliation for reporting unlawful harassment/discrimination. In that case, the investigation will be handled according to the Procedure: Unlawful Harassment and Discrimination of Students. e. Suppose the grieved incident is closely related to an incident being processed through the harassment/discrimination or disciplinary procedures. In that case, the proceedings under the Unlawful Harassment and Discrimination of Student procedure will take precedence, then the disciplinary procedure and the student's grievance will be addressed. The grievance will not be processed until after the other procedures have run their course. f. The VPISA, or the Technical College president's designee, shall be granted an additional fifteen business days to investigate the grievance upon notice to the grieving student. 4. Appeal: The student may appeal the decision from the VPISA or the Technical College president's designee to the Technical College president. Only the student has the right to appeal. a. A student shall file a written appeal to the Technical College president within five business days of receiving the response referenced in 3.C. above. b. The appeal will be decided based entirely on documents provided by the student and the administration, therefore the student must ensure that they have provided all relevant documents with their appeal. c. At the sole discretion of the Technical College president, grievance appeals at their institution may be held in one of the following two ways: i. The Technical College president may review the information provided by the student and administration and make the final decision; or ii. The Technical College president may appoint a cross-functional committee to make the final decision. iii. The decision of either the technical college president or the cross-functional committee shall be made within ten business days of receipt of the appeal. d. Whichever process is chosen by the technical college president, the decision of the grievance appeal is final. 5. Retaliation against a student for filing a grievance is strictly prohibited. Record Retention Documents relating to formal grievances including investigations, dispositions and the grievance itself shall be held for five years after the student's graduation or the date of the student's last attendance. External Complaint Procedure 1. Distance learning students enrolled in Ogeechee Technical College with a grievance remaining unresolved after exhausting the College's internal complaint procedure may also file a complaint with the appropriate SARA portal agency. a. Georgia SARA Student Complaint Rules b. SARA Student Complaint Policy and Procedure c. GA-SARA Online Student Complaint Form (<i>non-Georgia residents only</i>)

/current/Catalog/ Programs-of-Study/ Funeral-Service- Education/Funeral- Service-Education- Associate-of-Applied- Science-FS23	Content	The Associate of Applied Science in Funeral Service Education is designed to prepare students for a career in funeral service. All aspects of funeral service will be taught within the scope of this program. Academic and technical skills will be taught in the areas of general business, industry regulations and laws, embalming and restorative art skills, funeral service applications, funeral home management, grief counseling, etc. The goals are to prepare the student for successful completion of all necessary board examinations and to prepare the student for the rigors of daily work within the funeral service industry. The goals of the Funeral Service Education program are to promote and improve the standards of funeral service education and professionalism, to expose funeral service students to all aspects of the profession, and to foster a desire to serve the public interest in an ethical, dignified manner. All Funeral Service Education students are eligible to take the National Board Examination upon graduation from the program.	4/1/2026	ogeechee@10031947

/current/Catalog/ Programs-of-Study/ Nursing/Nursing- Associate-of-Science- NU93/Admissions- Criteria	Content	Admissions Requirements for the College • Submit a completed application and application fee; • Be at least 16 years of age; • Submit official high school transcript or GED transcript; • Submit official college transcripts if applicable; • Associate of Science in Nursing is a competitive admissions program. Please refer to the Competitive Admission Programs page for more information. • Meet the following assessment requirements: <table border="1"> <thead> <tr> <th>Test</th><th>Reading</th><th>Writing</th><th>Numerical</th><th>Algebra</th></tr> </thead> <tbody> <tr> <td>Accuplacer</td><td>64</td><td>70</td><td>NA</td><td>67</td></tr> <tr> <td>Accuplacer (Next-Gen)</td><td>236</td><td>249</td><td>NA</td><td>245</td></tr> <tr> <td>Compass</td><td>29</td><td>62</td><td>NA</td><td>37</td></tr> <tr> <td>SAT</td><td>37</td><td>37</td><td>NA</td><td>24</td></tr> <tr> <td>SAT</td><td>290</td><td>290</td><td>NA</td><td>260</td></tr> <tr> <td>ACT</td><td>16</td><td>14</td><td>NA</td><td>17</td></tr> <tr> <td>ASSET</td><td>42</td><td>41</td><td>39</td><td>42</td></tr> <tr> <td>PSAT</td><td>37</td><td>37</td><td>NA</td><td>24</td></tr> <tr> <td>GED</td><td>NA</td><td>145</td><td>NA</td><td>145</td></tr> </tbody> </table> Admissions Requirements for the Program Courses (RNSG) • Must submit a Letter of Interest electronically prior to admission deadline • Must attend an Associate of Science in Nursing Competitive Admissions Workshop • Must be 18 years of age prior to the first day of the program classes • Must have taken the HESI aptitude exam at Ogeechee Technical College within the last 5 years and achieved a cumulative score of 75% or higher. - A student will be allowed six (6) testing attempts on the HESI. The exams are given several times each semester and attempts can be scheduled 30 calendar days apart. - HESI scores from other schools will not be accepted. • Must complete required courses with a cumulative grade point average (GPA) of at least a 2.5. Coursework older than 5 years included in the GPA calculation. However, a student will not be able to choose specific coursework to include and exclude if a waiver is submitted. - Students must complete all required courses with a "C" or better; • ENGL-1101 • PSYC-1104 • MATH-1111 • One of the following Humanities/Fine Arts courses: • ARTS-1101 • ENGL-2110 • ENGL-2130 • HUMN-1101 • MUSC-1101 • BIOL-2113 & BIOL-2113L • BIOL-2114 & BIOL-2114L • BIOL-2117 & BIOL-2117L - Transfer credits will be used in GPA calculation Selection Process: A specific number of admission slots is allotted for each competitive admission program, based on the availability of clinical sites and faculty. Students will be selected for available slots using the following criteria: • A total score is calculated based on HESI scores, GPA for required prerequisite coursework, and whether or not the applicant has an active and unencumbered LPN license. Students are selected based on total score ranking. - The GPA for prerequisite courses only will be weighted at 40/100 of the total score. - The HESI exam score will be weighted at 60/100 of the total score. - Applicants with an active and unencumbered LPN license will be awarded 5/100. • If a tie exists, the highest score on the HESI exam will determine ranking. • If a tie continues to exist, the highest GPA on prerequisite coursework will determine ranking. /current/Catalog/ Programs-of-Study/ Paramedicine- Technology/ Paramedicine-Diploma- PT12	Content	The Paramedicine diploma program prepares students to provide dynamic and advanced emergency/role medical care for critical and emergent patients who access within the emergency/Emergency medical/Medical system/Services (EMS) profession. This individual program possesses will provide students with the complex knowledge and skills necessary to provide patient care and transportation, Paramedics and function as a part of a comprehensive EMS response, under medical oversight. Paramedics perform interventions with the basic and advanced equipment typically found on an ambulance. The Paramedic is a link from the scene into the health care system. The Paramedicine diploma program prepares students for employment in paramedic positions in today's health services field. The Paramedic diploma program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. The program provides opportunities to upgrade present knowledge and skills from the EMT/EMT-1/98/AEMT levels to a paramedic level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians (NREMT) Paramedic certification examination and apply for Georgia licensure with the State Office of Emergency Medical Service and Trauma (SOEMST) as a paramedic/Paramedic. This program combines rigorous academic coursework with extensive hands-on training to develop the clinical, technical, and decision-making skills necessary for effective emergency response. Students will learn to assess patients, administer medications, perform advanced airway management and use life-saving equipment under the guidance of experienced instructors and medical professionals.	4/8/2026	ogeechee@10138643

Additional Notes

The number of students accepted into the Radiologic Technology program is based on the standards set by the Joint Review Committee on Education in Radiologic Technology (JRCERT), which are based on the availability of the program's clinical education settings. If an applicant is not accepted into the program and wishes to try again, he/she must submit another Letter of Interest to the Director of Admissions and meet all admission criteria with the exception of payment of the application fee.

Readmission Requirements

A student who left the College in good standing may apply for readmission as early as the next academic term. Students who have been suspended because of unsatisfactory academic progress may be readmitted after one term of absence from the College.

A student suspended for disciplinary reasons may be considered for readmission at the end of the suspension by making an appointment with the Vice President for Student Affairs.

Readmission to a program will be granted on a space-available basis within the appropriate course sequence. Students seeking readmission must be readmitted to the program within 12 months of the last successfully completed semester and will be required to complete the curriculum requirements in place at the time of re-enrollment.

Readmission to Competitive Admission Programs

A student who voluntarily leaves or is dropped from a competitive admission program due to academic reasons, attendance, or having received a grade less than "C" in any program course will be limited to a one-time re-entry into the program.

A student seeking readmission to a competitive admission program must understand that readmission is granted on a competitive and space available basis, based on the program's admission criteria, accreditation agency requirements, and clinical capacity. The student must meet current program admission requirements at the time of the readmission request.

A student who voluntarily leaves or is dismissed from a competitive admission program during the first semester of program classes must re-enter the competitive admissions process in order to be re-admitted.

A student who successfully completed at least one term of program classes must follow the steps below to request re-admission to the program:

- Submit a letter requesting readmission to the Director for Admissions.
- Upon approval from the Director for Admissions and confirmation that there is space available in the class, the student must demonstrate retention of materials/information taught in the last successfully completed semester.
- The student will take a written examination covering materials taught in previously taken coursework. The student must make a grade of 75 or better.
- The student will take skills tests covering competencies in the procedures learned in previously taken coursework. The student must make an 85 or better on the skills test. The number of skills tests will be determined by each Program Director.

Beginning Spring 2018, RADT 1010 will not be waived if this course is five years old or older. Students must retake RADT 1010 if more than 5 years old.

/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1600	Course Description	This course is designed to facilitate the foundational concept of nursing and the roles of the nurse, as well as the profession related to client care concepts across the lifespan. Emphasis is placed on the knowledge and skills needed to provide safe, quality care. The theoretical foundation for basic assessment and nursing skills is presented, and the student is then given the opportunity to demonstrate these skills in the laboratory and clinical settings. An introduction to the nursing process provides a decision-making framework to assist students in developing effective clinical judgment skills. The role of the nurse as a provider will include but not limited to the following concepts: client-centered care;	12/19/2025	ogeechee@10031947

		teamwork and collaboration; evidence-based practice; quality improvement; safety; informatics; professionalism; and leadership. The clinical experience will introduce the student to the application of these theoretical concepts and implementation of safe client care to adults in a variety of healthcare settings. The course also includes the consideration of nutritional, developmental, cultural and spiritual needs of the client.		
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1601	Course Description	Foundations of Pharmacology, drug action and the physiological level, and drug preparation and administration to diverse clients as they transition throughout the lifespan is included. The action, side effects, range of dosage, and the route of administration of commonly used medications will be discussed. The student will gain the knowledge of drugs according to body systems. The course will utilize activities that stimulate critical thinking.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1602	Course Description	The course is a study of the concepts that promote the administration of medication with the concern for safety. The associate degree in nursing student enhances the basic mathematical concepts utilized in calculating medication dosages for safe administration to clients throughout the lifespan including fractions, decimals, conversions to solve dosage calculations that are frequently seen in a variety of healthcare settings.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1603	Course Description	Study of clients with musculoskeletal, respiratory, gastrointestinal (biliary tract, liver, and pancreas) system problems. Management of Perioperative Clients and patients with pain, Management of Clients with Fluid, Electrolyte and Acid- Base Imbalances. The major focus of this course is on utilization of the nursing process to care for clients experiencing these health alterations. Clinical activities build on prior healthcare experience	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1604	Course Description	Study of clients with renal, cardiac, endocrine, integumentary (to include burns) system problems. The major focus of this course is on utilization of the nursing process to care for clients experiencing these health alterations. Clinical activities build on prior healthcare experience.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1605	Course Description	Study of clients with sensory, neurological, immunological, oncology, and hematological systems. Other content includes chronic health conditions, trauma, disability, palliative care, community health, and bioterrorism. The major focus of this course is on utilization of the nursing process to care for clients experiencing these health alterations. Clinical activities build on prior healthcare experience. The clinical experience will include preceptorship experience and hours. In this capstone course, students will be challenged to synthesize and incorporate knowledge of the nursing profession, and the roles and responsibilities related to associate degree nursing care into practice. The student is expected to apply knowledge accumulated throughout the associate degree nursing program in the care of diverse groups of clients in the practice setting. Information gained from a historical perspective along with current trends and issues in nursing will be incorporated throughout the course. Emphasis will be placed on assisting the student to make the transition from student to graduate nurse through virtual and actual hospital, preceptorship experiences, and leadership opportunities.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1605	Course Name	Adult Health Nursing III	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1606	Course Description	Focus on the role of the nurse in meeting the physiological, psychosocial, cultural, and developmental needs of the maternal client. This course includes the reproductive system and disorders of the reproductive system, antepartum, intrapartum, postpartum care, complications related to pregnancy and delivery, newborn care, human growth and development, care of the pediatric client, and complications related to the pediatric client. Nutrition, pharmacology, cultural diversity, use of technology, communication, anatomy and physiology, medical terminology, critical thinking, and application of the nursing process are integrated through the entire course.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1607	Course Description	Applying a family-centered approach, this course focuses on health promotion, acute and chronic health conditions, and the rehabilitative needs of pediatric patients. Emphasis is placed on the pediatric client's developmental, physiological, psychosocial, cultural, and spiritual care within the family unit. Using the nursing process, strategies are formulated for promoting and maintaining optimal functioning of the pediatric-family unit and for enhancing the strengths of the family unit. Clinical activities emphasize the application of theory to practice in a variety of communities and acute care settings.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1608	Course Description	Mental Health Nursing course is designed to prepare the student to care for individuals with alterations in their mental health, while utilizing nursing judgment. Topics will include, but are not limited to anxiety, depression, addiction, schizophrenia, and dementia. Psychopharmacology, behavioral and cognitive therapies, and other treatment modalities will be integrated throughout the course. The course integrates the concepts of professional identity, teamwork and collaboration, quality and safety, evidenced-based practice, informatics, and health teaching and health promotion as they relate to the care of clients with alterations to their mental health. Teaching and learning principles will be incorporated to all aspects of care, including the biophysical, psychosocial, spiritual and cultural aspects. Students will care for patients from diverse cultural and ethnic backgrounds with mental health alterations in a variety of acute care and community settings.	12/19/2025	ogeechee@10031947
/current/Catalog/ Courses/RNSG- Nursing/1000/ RNSG-1609	Course Description	The intent of this course is to transition the student into the role of member of the profession focusing on management and leadership competencies, while fostering independence and proficiency as a provider and manager of care. Classroom content will explore current healthcare trends emphasizing the importance of professional growth, accountability, and responsibility within the profession. The student also gains an understanding of health care policy and its impact on health care. The course will include instruction on the transition from education to practice. Topics covered:	12/19/2025	ogeechee@10031947

		Role transition to build clinical judgment and decision-making skills, personal management and self-care strategies, employment opportunities, resume writing, interviewing tips, effective communication skills within the profession, conflict management , cultural and spiritual awareness, quality patient care, delegation in the clinical setting, ethical and legal issues, and using evidence based practice in nursing.		
/current/Catalog/Courses/RNSG-Nursing/1000/RNSG-1610	Course Description	This course expands on previous nursing knowledge providing an opportunity for synthesis of essential nursing concepts as well as preparation for NCLEX-RN success. The student will demonstrate a synthesis of the program objectives and prior learning with faculty-assisted guided review, practice, and remediation. The course will align with the NCSBN 2023 test plan. The NCLEX-RN Comprehensive Review focuses on a review of the associate degree nursing curriculum. This course is to provide a comprehensive review of the essential content areas tested on the National Council Licensing Examination for Registered Nurses (NCLEX-RN). Review of these essential content areas and nursing concepts will enhance the potential for students to demonstrate success on the NCLEX-RN.	12/19/2025	ogeechee@10031947
